Late entries will be accepted according to the Deadline and Meet Summary above. New qualifiers who are NOT already in the meet are to enter using OME. If a swimmer is already entered in the meet and has achieved an additional qualifying time or upgrading from a bonus to a qualifying time standard, please send an email to the entry coordinator listed above.

The penalty to a swimmer, after the heats have been seeded, who fails to scratch and 'no shows' a preliminary or timed final event, for which the swimmer has been positively checked in **will be one of the following:**

- Being barred from all further events (individual and relay) of that day (the application of the penalty shall pertain to the order in which the events/heats are swum, not the numerical order of the events), **OR**
- Payment of a \$100 fine to be reinstated for the rest of that day's events

Additionally, that swimmer must positively check in for all subsequent individual events prior to the close of the scratch box for that day's events. A swimmer who fails to scratch and 'no shows' a final event shall be barred from further competition for the remainder of the meet.

See the order of events for when the events will swim in finals. Positive check-in for the 800 and 1500 is required as indicated in the Deadline and Meet Summary above in order to compete in the events.
