July 30, 2022

The Woodstream Swim Club in Marlton, NJ is this year's host of the 5th Annual Jack Hafner Invitational Swim Championships. The event will take place this summer on Saturday July 30<sup>th</sup>. As the proud host, we are most honored to offer you an opportunity for a corporate sponsorship at this exciting sporting event. It is a wonderful opportunity for your company to be part of a unique community-supported celebration of our area's youth summer swimming experience.

The Annual Invitational Swim Championships brings together swimmers from 10 clubs throughout the South Jersey area. **This year we are expecting nearly 2,000 parents, spectators, coaches, volunteers and vendors to pass through our gates.** Given the ages of the swimmers and the demographics of swim families, being a sponsor of this event would be a **great opportunity for exposure** for you and your business. We also know that swim families are a loyal and dedicated group of people that will support your business in return. There are many different levels of sponsorship available, as well as event book advertising opportunities.

Sincerely,
