

# Finding Results on Team Unify Webpage

[www.huntingtonbarracudas.org/](http://www.huntingtonbarracudas.org/)

## Results

Log-in (Log-in was set-up when you registered on our website)

Click My Account (left) & then My Meet Results

Individual Times will display

**Filter to see City Qualifiers** (Not viewable on the app)

-The Classic and City meets are the city-wide championship meets held at the end of the season, swimmers will swim at one of these meets, not both.

-Need City Qualifying times to swim at City (exception ages 13-18 automatically swim at City)

While Viewing Individual Times:

Filter using the "Standards" drop down. Select 2014 City and hit SEARCH

**Relay Results** (Not viewable on the app)

While Viewing Individual Times:

Click on the Name of the Meet

Click on the Relay Tab – At first the relay list is blank, you need to use the filters.

Filter & click SEARCH

To View By Team: NB (Naperville Conference) will show first and select NB-H... H (Huntington) will allow you to search just our team & hit SEARCH

You can also filter by age or gender & hit SEARCH

--Blank times are No Swims or DQs

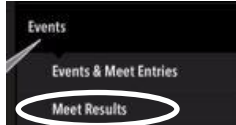

# Finding Results Using OnDeck App

Log-in using the same email and password that you use on our Team Unify Webpage

## Meet Results

-View Menu using the Drop Down in the upper left hand corner 

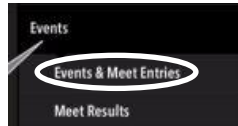

-Select Meet Results

-Click on the Meet (View using Events or Swimmer Tab)

## Meet Entries (To view your swimmers races the night before a meet or day of)

-View Menu using the Drop Down in the upper left hand corner 

-Select Event & Meet Entries

-Click on “Commitment”

-Click below Coach Approved on “events”

**Meet Results: OnDeck App**  
(If you were using the old “OnDeck Parent”, please update to OnDeck)

**Install and Log In** 

Search for OnDeck in the App Store (iOS) or Google Play (Android), install and launch.

Enter same email and password you use for your team's [TeamUnity website](#).

Tap if you forgot password

Check to use Touch ID instead of password (when available)

Tap **FIRST** if you live in another region.
