

Hills of Walden Swim Team 2020 Sponsorship Form

Thank you for considering sponsorship for the Hills of Walden Hurricanes Swim Team, a 501c3 organization. Your generous support allows us to improve the swim season for all of our swimmers. These funds are used to provide swimmers with needed equipment for training as well as supplies for weekly competitions. We have over 175 swimmers ranging from 5-18 years old. The three home meets are attended by more than 100 Walden families, as well as the families of the competing teams from locations throughout the Northland.

We are offering three different levels of sponsorship this year. We appreciate your support of our swimmers!
