You've Been Hooked

Ahoy thar, matey! Your family has been Hooked! Now it's your turn to share in the Pirate fun. Here's what you do:

Make 2 copies of this letter and 2 copies of the sign and HOOK two other Pirate families. Don't forget, me hearties, to give them a bag of TREASURES to cheer them on this swim season.

Please do this ASAP because Captain Marla wants to make sure every Pirate Swim Team family is Hooked before the Championship Meet.

Shiver me timbers! Don't delay!!!!

Don't forget to put your SIGN outside your door to show other Pirates you have already been Hooked.

Arrrrrrrgh!!

Keep it a Secret... and remember....

GO PIRATES!
