

Is the Stillwater Starz swim team right for your child? If you are looking for summertime fun, the answer is *YES!*

The Stillwater Starz swim team is a developmental, competitive swim team open to all local children ages 5-18. Not sure if your son or daughter is ready? Come on out and give it a try! Our coaches will help assess your young swimmer's skills and decide upon the best group placement. Many of Naperville's top high school swimmers got their summer start on their local neighborhood teams—including right here at Stillwater. It's a great way to occupy summer mornings while staying fit and having fun outside.

The team will participate in eight dual meets (scheduled on Tuesday and Thursday evenings and Saturday mornings), two invitational meets, and two exciting championship meets (swimmers enter one of the two). The season begins with an intrasquad Time Trial at our own pool—a great way for swimmers to experience their first meet of the season in a low-stress environment. We also offer a range of fun social activities; come on out and join the fun!

HOW DO I JOIN?

Online registration opens on February 8. Visit www.stillwaterstarz.org and click on the *Registration* tab. Following registration, watch your email for online Job Sign-up information the end of May.

Please note that we are a volunteer-run organization; it's through the support of our parents that we can offer the incredible program we do so affordably! To this end, a parent from each family is expected to work at several meets throughout the season to ensure that meets run smoothly and adhere to Naperville Swim Conference rules. Parents may also hire proxy workers to fulfill this obligation. Additional information is provided during registration.

CAN MY FRIENDS JOIN IF THEY DON'T LIVE IN STILLWATER?

Absolutely! *Non-residents* interested in swimming for the Starz are welcome to join! Non-residents pay the applicable registration fee above plus a \$25 per family (*not* per swimmer) non-resident fee. This entitles swimming members to use of the pool during swim team practices, meets, and social events only.

If your non-resident family is looking for more this season, we have a great new option for you! For an additional one-time fee of just \$375, your family can add a Non-Resident Seasonal Family Membership to your swim team registration. As seasonal Stillwater Club members, ALL members of your family will enjoy full use of Stillwater Club pool, tennis/pickleball court, sport court, and all summer social events from seasonal pool opening to close.

Interested non-resident families can add “Non-Res. Family Club Membership” during the last step of the online team registration. This is an exclusive opportunity for swim team families and is the best value in the area for summerlong access to a fabulous pool, exciting racquet sports, and fun!

About Those Friends...
