

Diamond Farm Stingrays Relay Record Board

The DF Stingrays Relay Record Board lists the fastest relays swum in events that are currently part of the Relay Carnival meet lineup of events. Note that for certain events that are also in Dual Meets and Divisionals (1,2,8,9) the best time swum is listed regardless of whether the time was achieved in a Relay Meet. Records may also have been achieved in the MCSL All-Star Relays meet. The records below are from MCSL results that are available starting in 1998 (some early years have incomplete results) through 7/1/2017. **Records highlighted in red text were this year.**
