PARKING

Visiting teams will have 2 reserved spaces typically for the head coach and computer operator. Handicap parking will also be available. Street parking is available in the adjacent neighborhood. Please respect owners' driveways and mailboxes by parking **at least 15 feet** from each allowing sufficient access by mail carriers and residents. Park vehicles off the road as much as possible without parking on lawns.

VISITING TEAM AREA

Setting Up: Visiting teams may set up in the grassy area in the circle in front of the clubhouse and concessions. We will close the parking area and create a walkway for safe passage to the circle. There will be a speaker there so that your team can hear all announcements. This area provides great shade. We are not allowed on the tennis courts or the pool deck for any swim team set-up. Please gather all belongings and pick up all trash before leaving.

Viewing: There is roaming/standing only viewing at the back end of the pool, behind the yellow tape. Spectators are welcome to watch through the fence and stand and watch at the shallow end of the pool. We ask that no spectators be present at the start and finish ends of the pool as it gets very crowded and interferes with both the swimmers and the timers/recorders/runners. No tent, chairs/family area set-up is allowed on the deck.

WARM-UPS

Visiting team warm-ups are from 6:30 – 6:50 am. The meet will start promptly at 7:00 am and we generally finish by noon.

RELAYS

Visiting team relays are in lanes 1, 3, and 5.

VOLUNTEERS

Officials – All officials will meet at 6:30am to go over assignments. Visiting teams should provide a minimum of 4 Stroke and Turn officials (2 per shift) plus a Starter and Referee. Please bring your starting equipment as a backup.

Timers/Recorders – We have a six-lane pool. This year due to team size we are running two shifts 7-9:30 and 9:30 – 12 or end. These times are approximate and may vary once timeline is published. Your team is welcome to run three shifts—just let our announcer know when you want your shift changes, and they will announce it.

Visiting teams should provide one (1) timer for lanes 1, 3 5 and (2) timers for lanes 2, 4, 6. The visiting team will have a total of 9 timers per shift needed. The timers will also record. There should also be a designated Head Timer. Just FYI – we rotate timers and recorders rather than starts for the 8 & under events. A meeting of timers & recorders will be called at 6:40am.

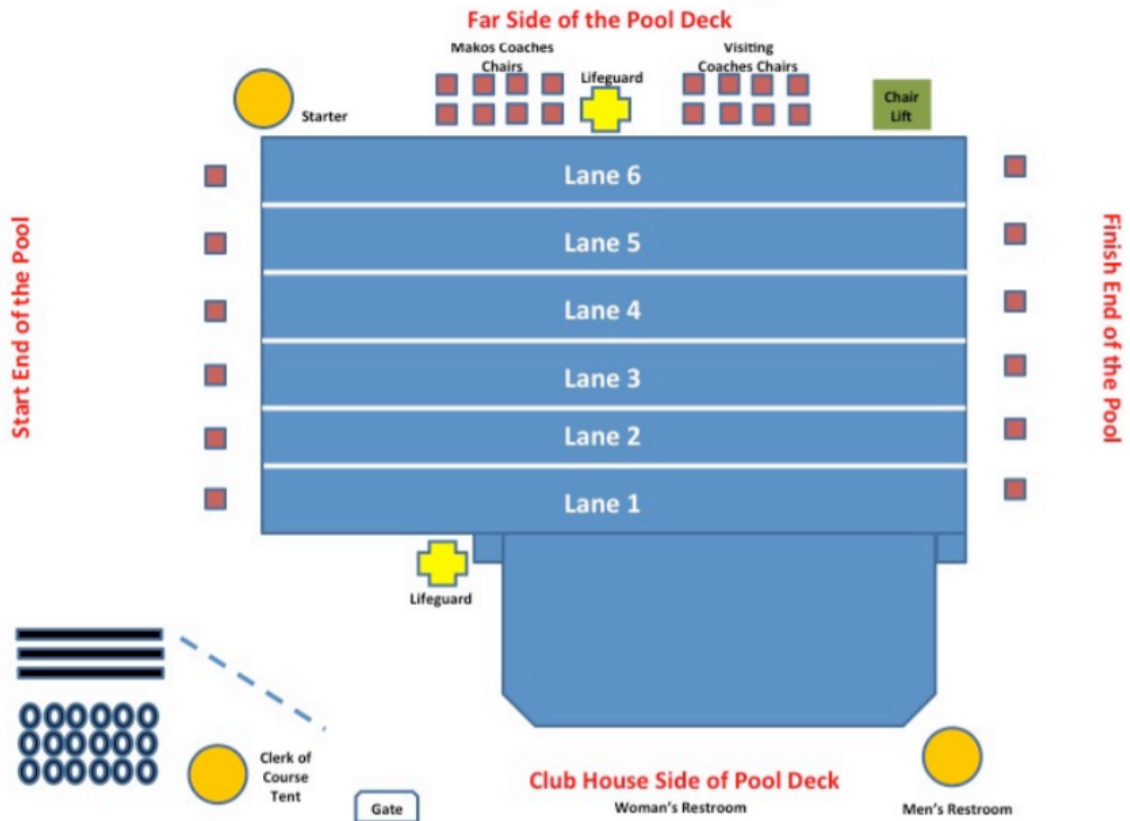

Other volunteers – we would like 2 Runners to assist during 8 and under events, a Ribbon Writer, at least (1) Clerk of Course throughout the meet to aid in identifying visiting swimmers, and a Heat Ribbon person for the 2nd shift. At least one (1) Scorer and Verifier should be provided throughout the meet.

CONCESSIONS

Concessions are available throughout the meet and are in front of the clubhouse in the parking lot. Drinks include hot coffee, water, soda, and Gatorade. The grill should be fired up by 8:00 am. Hamburgers and hotdogs are available. We offer meal deals that include chips and drink. Other assorted candies, snacks, donuts, pastries, and fresh fruit are on sale.
