

Meadowbrook Makos Swim Team  
A TRADITION OF SWIMMING EXCELLENCE

# Sponsorship Information and Levels

The Meadowbrook Makos are a central Prince William County community-based swim team that boasts more than 125 swimmers with ages ranging from 4 – 18. We compete in the Prince William County Swim League against teams of similar size. This means more than 500+ parents and family members from across the county come to our swim meets. We compete in seven meets per year – three home meets and four away meets. Our regular season runs from late May until early August and we offer developmental swim programs during the off-season.
