Dear Pegasus Families,

Pegasus has launched the fall team gear website for ordering through the locally owned D&J Sports. **The store will close September 10th at 11:59 PM. When the store is closed, it is closed. No exceptions!**

To see the full online store please use your computer screen not mobile phone screen.

All athletes (including Intro) should purchase the required to have a **navy and white team tee shirt**. We wear them on alternating days as a team at tournaments and Intro kids can wear them to practice and social events. Shirts can be found in the **All Player Required Tab**. You have a choice of 100% poly dri-fit style or a tri-blend with cotton. Of course we would love to see players wearing their tee shirts or polo shirts around town.

For those who plan to travel with the team out of state or play in the state tournament (aka TAGS), we have more items under the **Travel and State Players** tab. Pegasus players at all levels may choose to order these items, but we will require those on the travel team to wear a **Navy polo** while traveling and at team dinners when on the road. While navy is required, white is an additional option. You will find **Navy and White swim caps** here as well, players wearing caps under their protective game cap must have a matching dark (navy) or light (white) swim cap per game rules. **Hoodies (optional) are also available in navy and gray.**

The **Parent and Fans** tab repeats some player offerings and adds sweatshirts and polos for non players without names. All items are optional.

IMPORTANT - Again, when the store is closed, it is closed. No exceptions! If you would like to have a towel, hat or maybe a polo for a family member ready for a gift, now would be the time to order it and hide it away.

Team suits and backpacks can be purchased through another vendor, Kap 7, whom we used for the past four years. The team suit is mandatory, the backpack optional, though highly recommended.

Again, due to the global shipping crisis, there may be some delays in shipping on particular items. There is nothing we can do about it, so we very much appreciate your patience. 😊
