

August 31, 2020

Dear Pegasus Families,

Pegasus has launched the fall team gear website for ordering through the locally owned D&J Sports. There are not required bundles forcing you to buy items you may not need, so please read below. **The store will close September 8th at 11:59 PM.** To see the full online store please use your computer screen not mobile phone screen.

All players are required to have a **navy and white team tee shirt**. When tournaments resume, we will wear on alternating days as a team. Shirts can be found in the **All Player Required Tab**. Your choice of 100% poly dri-fit style or a tri-blend with cotton by Bella Canvas. Of course we would love to see players wearing their tee shirt or polo shirts around town.

For those who plan to travel with the team out of state or play in the state tournament (aka TAGS), we have more items under the **Travel and State Players** tab. Pegasus players at all levels may choose to order these items, but we will require those on the travel team to wear a **Navy polo** while traveling and at team dinners when on the road. While navy is required, white is an additional option. You will find **Navy and White swim caps** here as well, players wearing caps under their protective game cap must have a matching dark (navy) or light (white) swim cap per game rules. **Players grey hoodie** is also listed here and required for travel players.

The **Parent and Fans** tab repeats some player offerings and adds sweatshirts and polos for non players without names. All items are optional. Thick heavy made in USA towels are found here too. Same towel sold for Mustangs Swimming, but with our artwork of course. We encourage you to have your player's name added when purchasing. Shorts in adult and kids sizes, hats, window stickers are found here.

As this is our first go around with D&J Sports, when the store is closed, it is closed. If you would like to have a towel, hat or maybe a polo for a family member ready for a gift, now would be the time to order it and hide it away.

<https://djsports.com/teams/pegasus-waterpolo/>

**Team suits and backpacks** can be purchased through another vendor, Kap 7, whom we used for the past four years. The team suit is mandatory, the backpack optional, though highly recommended.

*\*Please note that the link viewed through your mobile phone will not show everything you need to see so please shop on your full screen computer.*

**Ordering Recap:****All Athletes Required Gear:**

1. Navy and white tee (your choice of poly dri-fit or tri-blend with cotton)
2. One navy and one white swim cap for those who wear caps under the protective game cap. There are light and dark caps in every game so both are needed.
3. Team Suit on Kap 7's website. For sizing questions on the suit, please call Kap 7 directly. Kap 7 processes suit orders every 2 two weeks so it is not a quick turnaround. Order now.

**Travel Team Required Gear (optional for all athletes):**

1. Navy polo required (white polo is an optional addition)
2. Navy (dark) and white (light) swim caps for those who wear caps under the protective game cap
3. Grey hoodie
4. Navy and white tee (your choice of poly dri-fit or tri-blend with cotton)
