

September 23, 2021

Dear Pegasus Families,

Pegasus has launched the fall team gear website for ordering through the locally owned D&J Sports. **The store will close October 5th at 11:59 PM. When the store is closed, it is closed. No exceptions!**

To see the full online store please use your computer screen not mobile phone screen.

All players are required to have a **navy and white team tee shirt**. We will wear them on alternating days as a team. Shirts can be found in the **All Player Required Tab**. You have a choice of 100% poly dri-fit style or a tri-blend with cotton. Of course we would love to see players wearing their tee shirts or polo shirts around town.

For those who plan to travel with the team out of state or play in the state tournament (aka TAGS), we have more items under the **Travel and State Players** tab. Pegasus players at all levels may choose to order these items, but we will require those on the travel team to wear a **Navy polo** while traveling and at team dinners when on the road. While navy is required, white is an additional option. You will find **Navy and White swim caps** here as well, players wearing caps under their protective game cap must have a matching dark (navy) or light (white) swim cap per game rules. **Players grey hoodie** is also listed here and required for travel players.

The **Parent and Fans** tab repeats some player offerings and adds sweatshirts and polos for non players without names. All items are optional. Thick, heavy towels made in the USA are found here too. They are the same towels sold for Mustangs Swimming, but with our artwork of course. We encourage you to have your player's name added when purchasing. Shorts in adult and kids sizes, hats, window stickers are found here. *There is a minimum order of 50 towels. If we don't reach the minimum order, anyone who ordered one will be refunded.*

We will have additional "Fan Gear" for the parents soon – we are working on finding inventory for those items and will add them to the store ASAP. It is hard to find inventory right now on popular items due to the global shipping crisis, so these are taking a little longer. We expect to have the rest of the fan gear up in the next two weeks – we will let everyone know as soon as it is added to the store.

IMPORTANT - Again, when the store is closed, it is closed. No exceptions! If you would like to have a towel, hat or maybe a polo for a family member ready for a gift, now would be the time to order it and hide it away.

<https://djsports.com/teams/pegasus-waterpolo>

Team suits and backpacks can be purchased through another vendor, Kap 7, whom we used for the past four years. The team suit is mandatory, the backpack optional, though highly recommended.

**Please note that the link viewed through your mobile phone will not show everything you need to see so please shop on your full screen computer.*

Ordering Recap:

All Athletes Required Gear:

1. Navy and white tee
2. One navy and one white swim cap for those who wear caps under the protective game cap. There are light and dark caps in every game so both are needed.
3. Team Suit - order from Kap 7, not D&J.
4. For sizing questions on the team suit, please call Kap 7 directly.
5. Kap 7 processes suit orders every 2 two weeks so it is not a quick turnaround.
6. Order now. If sizing says out of stock, please call or email them and ask.

Travel Team Required Gear (optional for all athletes):

1. Navy polo required (white polo is an optional addition)
2. Navy (dark) and white (light) swim caps for those who wear caps under the protective game cap
3. Grey hoodie
4. Navy and white tee (your choice of poly dri-fit or tri-blend with cotton)

Fins:

D&J Sports carries the ones the coaches want the Intro group athletes to have and they are for purchase in our gear store:

Intro Swim Stuff Training Fins

Do not buy or bring to practice:

Not These!

Not These!

Again, due to the global shipping crisis, there may be some delays in shipping on particular items. There is nothing we can do about it, so we very much appreciate your patience. 😊

Thank you! Go Pegasus!
