ABOUT DOMINION VALLEY SWIM TEAM SHARKS

The Dominion Valley Swim Team pool is located at **5350 Tournament Drive, Haymarket VA 20169**. Our website is www.dvsharks.com; click on 'about us' for more information.

DIRECTIONS: To get to our pool from the Linton Hall corridor, take Linton Hall Rd. to north on Rt. 29. Take exit onto 66 west. Go 3 miles on I-66 West to Exit 40 and make a right onto Route 15 North. Go 1.5 miles to a left onto Dominion Valley Drive. Make a left at the first traffic light, through the gate, onto Tournament Drive. Our pool is on the immediate right. We always have a fun filled Divisional meet and we are looking forward to another with some new friends!

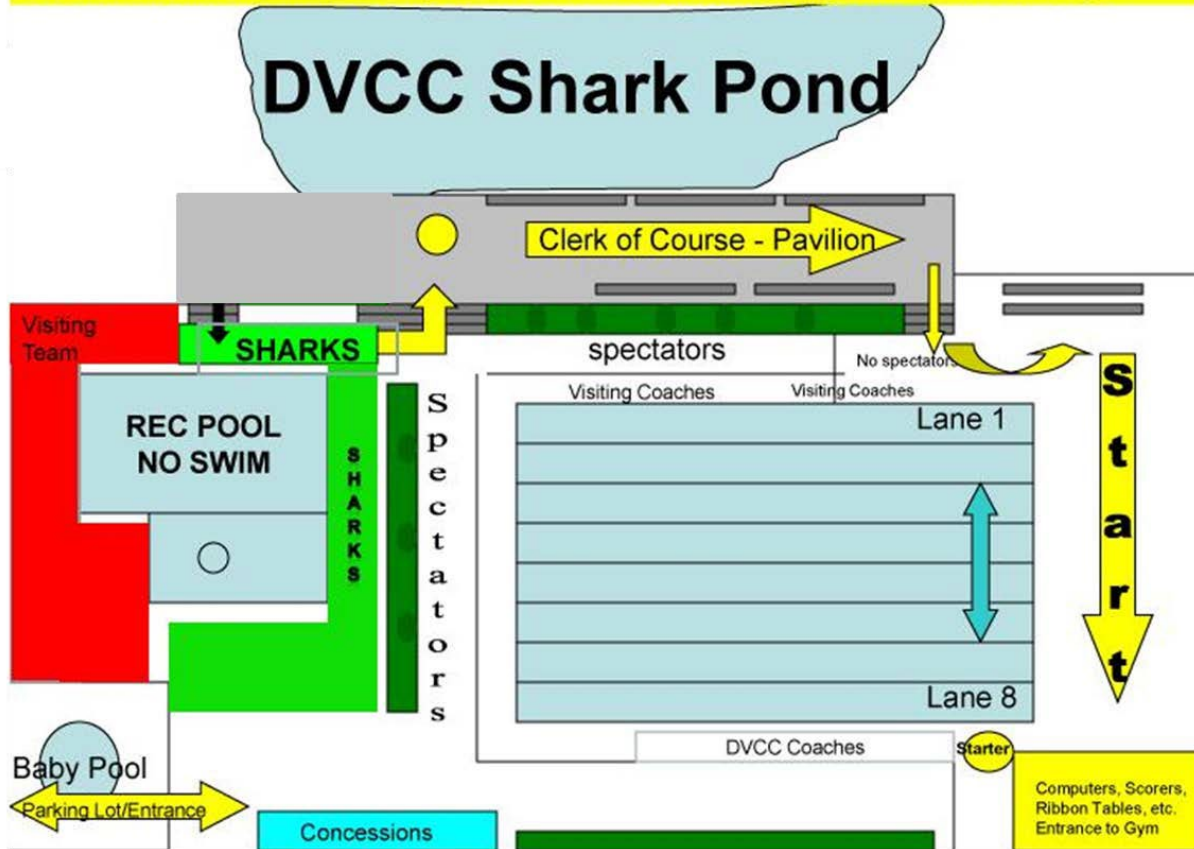

POOL LAYOUT DIAGRAM/TEAM SETUP

There will be NO personal tents inside the pool area. There will be a table for volunteer coordinators from each team near the baby pool. Only chair seating will be allowed for spectators on a first come first serve basis. All personal tents must be set up outside the gates, in the grassy area. However, coach's areas may be tented and teams may utilize their space for a team tent.

Swimmer traffic flow is depicted by the yellow arrows, starting at the yellow circle in the gray space. In the past, some teams have requested to have their own separate clerk of course tent set up for relay gathering, this is allowed in the visitors section of the rec pool deck. Please avoid the grilling areas. For clerk of course, the kids gather at the yellow circle and flow to the right across the pavilion, seated on a series of bleacher benches. They flow down the stairs at the right of the pavilion to three rows of chairs (seated by heat) at the curved arrow. From there the swimmers move to the start area where there are a series of chairs seated 4 heats deep.

The only areas roped off to spectators are the areas of the start from left of the visiting coaches, around to the left of the starter setup.

Overflow Team Areas in Grassy Area Outside Pool near Playground - Tent Set-Up

PARKING: Our HOA restricts access and limits the number of entrances to the community. For Divisionals we can only allow passes for four cars (President, Volunteer Coordinator, Computer Representative and Head Coach) for each visiting team, **Ashland** and **Braemar**.

- Please send an email to president@dvsharks.com and "CC" rules@dvsharks.com with the names of the four drivers with cell phone numbers and /or email addresses, and we will enter their names onto the gatehouse roster. *Please let those drivers know they will need to scan the barcode that is texted or emailed to them at the entry gate kiosk, and tell them to arrive early as parking is limited.*
- **Handicap Parking** please send an email to president@dvsharks.com and "CC" rules@dvsharks.com with the names, cell phone numbers, and /or email addresses of those in need of handicap parking. *Please let those drivers know they will need to scan the barcode that is texted or emailed to them at the entry gate kiosk, and they must have a handicap parking pass.*
- **All other swimmer families** will need to park in the Giant Parking lot across from the main entrance. Instead of making the first left once on Dominion Valley Dr., make the first right.

HEAT SHEETS/MEET PROGRAMS

DV will not sell or provide heat sheets to patrons. DV will provide heat sheets to all meet officials and put any balance at the concessions stand for parents to pick up.

Regarding ads in the heat sheets – computer reps can discuss and coordinate any ads. The computer reps for each team have added to their own sponsors to their own meet programs and distributed to their team in the past – this will be the same again this year.

SWIMMER ENTRIES: Please email the list of your swimmers / entries to our computer rep, Tricia Peny at computers@dvsharks.com or 5penys@comcast.net.

- Following the last meet before the Divisionals, Tom Howe (PWSL) will provide the host team computer rep with a times report for the Division.
- DV Sharks Computer Rep will create a database of all the teams and will redistribute it to all the Computer Reps.
- All divisional entries must be submitted to DV Sharks computer rep by **Tuesday, July 26th @ 7:00pm**.
- All teams bring their computer gear.
- Please see computer support further in the letter for more information.

COACH & PARENT RELAYS: At the end of the meet coach and parent relays will be run. Please provide ‘A’ and ‘B’ teams, names of swimmers. Relays will be

------------------------------	---

CLERK OF COURSE: 2 per shift, per team. Each team should provide a head clerk of course volunteer that is familiar with seeding and cards.

HEAT RIBBONS: Each team provides one per assigned shift, working 4 lanes.

- Shift 1:** DVCC and Ashland
- Shift 2:** Braemar and Ashland
- Shift 3:** DVCC and Braemar

RIBBONS: 1-2 per shift, per team (we do not have room for more). They will be located next to the gym or if extremely warm in the gym.

RUNNERS: Each team provides two per assigned shift. Runners need to check in at the timers meeting. Runners will either run cards to the scorers OR during 8 and under shifts will run cards from the swimmers to the timers. Please name one “runner” and one “8 and under runner”.

- Shift 1:** Ashland and Braemar
- Shift 2:** Braemar and DVCC
- Shift 3:** DVCC and Ashland

Bull Pen/Starting Block Volunteer: 1 per shift, per team. This position is just to cover the 10 and under swimmers while they are on the final block under the big tents, to keep them moving up in line and remaining in their assigned lane.

TIMERS, RECORDS AND HEAD TIMERS

- Each Team is responsible for staffing their respective assigned lane(s) during the Divisional Meet.
- DO NOT leave your assigned lane until your replacement is on deck and ready to rotate. It may be necessary for you to stay on duty for a short time in the beginning of the next shift. We do not want to slow the meet down waiting for replacements. Notify the Head Timer and a replacement WILL be found as soon as possible.
- Completed Timer/Recorder Schedule must be sent to **Kim Kurre and Jonna Thoma** at volunteers@dvsharks.com by **Tuesday, July 26, 2022.**

COMPUTER SUPPORT

Each team computer representative is requested to be available throughout the meet for computer support. Each team's computer rep must be available during the opening and closing relays in case additional information (i.e. swimmer names) is needed. Data entry will take place by one team per event according to the following schedule:

Opening Relays:	Dominion Valley computer team
Freestyle:	Ashland or Braemar computer team
IM:	Dominion Valley computer team
Backstroke:	Ashland or Braemar computer team
Breaststroke:	Dominion Valley computer team
Butterfly:	Ashland or Braemar computer team
Closing Relays:	Dominion Valley computer team

When it is your team's turn to enter data, the team's computer representative will have the chair. When it is not your team's turn, please respect the right of the serving team to step away to watch a swim. This is a different protocol than many meets; however, the hope this removes the need for competing for the "data entry seat". When your computer team is not assigned to data entry, you can help with verifying, ribbons or posting data, or take some time to watch the meet and/or get some refreshments.

NOTE:

- **Team Areas:** Braemar and Ashland may have the area around our rec pool for a team staging area.
 - Each team has space for 1 team tent inside the pool area.
 - All space in the playground and in the grassy areas to the left of the visiting team area is open to anyone and is first come first serve for tent space.
- **Coaches seating:** DV coaches will be seated at the near side of the pool, middle, closest to the clubhouse. BRAE and AST coaches will both be seated on the direct opposite side of the pool, dividing the allocated space in half. There is plenty of room for visiting coaches to set up tents.
- The **baby pool area** will be location for posting of results.
- **Apparel Tables:** BRAE and AST are welcome to set up Apparel Tables if requested, location to be determined.

OTHER ITEMS

BATHROOMS

It has rarely been an issue in the past, and we are sure it wouldn't be an issue, but please gently remind your kids to treat the bathrooms inside of the facility as if it was their own home. We raise this because the club is pretty tough on the swim team in regard to the care of the bathrooms during meets. It is the swim team's responsibility to clean them and in the past have been charged to clean it. Much appreciated!

USE OF THE BABY AND SHALLOW POOL

Use of the shallow and baby pool is prohibited during swim meets. The club provides no life guard for this pool

during the meet, hence, we must keep all children out of the pools.
