There will be 1 heat per event and each team can enter only one swimmer in each individual event and 1 team into each relay event.

If your team has not confirmed that they will be participating in this event by 6:00 PM **Friday, June 3rd**, we will assume you have declined and we will proceed with finding replacements as needed.
- Entries:** Team entries are due no later than **Wednesday, June 29th at 2:00 PM**. - Substitution Policy:** Substitutions are only permitted if these 2 conditions exist, 1) an injury or illness prevents a swimmer from competing and 2) the alternate has already been used. If these conditions exist, a team may replace a swimmer with someone who has a slower time than the person originally entered. Substitutions must be turned in to the Meet Referee by 8:00 AM on the morning of the meet. A substitution form will be handed out to the coaches when they arrive at the pool for warm ups
- Entry Limits:** There will be only one heat per event. Each team is permitted to bring one individual swimmer per event. These swimmers will also be used to form a medley relay team in each age group. There must be 4 individual swimmers in each relay with the exception of the crescendo relay. Each individual swimmer is allowed to swim in only 1 individual event but may swim in both relays. The medley relay will be made up of the swimmers entered into each of the individual events. Each prescribed stroke of the relay will be completed by the same swimmer who was entered in that individual event (i.e. the swimmer entered in the individual freestyle must swim the freestyle leg of the relay). The crescendo event will be made up from any of the swimmers entered into the meet regardless of the individual event they were entered in and shall consist of 1 swimmer from each age group (8 & under, 9-10, 11-12,13-14, and 15-18). As part of the crescendo relay the 8 & under & 9-10 will swim 25 meters with the remaining age group swimmers completing 50 meters, for a total distance of 200 meters.

Parents – we will have speakers facing out towards the tent areas and make frequent announcements for events and awards presentations. However, based on past experience – because the event moves along quickly – you may consider leaving your tents at home or tent-sharing with friends to be closer to the action!
