

Dear Valued Business Owner,

The Westridge Waves Swim Team is a 501(c) (7) nonprofit organization located in the Woodbridge community of Westridge. Our swim team has been in existence since the late 1980's. The Westridge Waves Swim Team teaches boys and girls ages 5 - 18 the life skill of swimming, while also introducing them to the competitive nature of the sport. In addition, our swim team provides children the opportunity to have fun while developing physical conditioning, self discipline, confidence, goal-setting skills and sportsmanship.

As a nonprofit organization, a way to raise money for our team is through sponsorship. By becoming a Westridge Waves sponsor, you will have the opportunity to support over 150 Westridge Waves Swim Team members. Sponsorship helps to cover Westridge Waves expenses and permits us to continually offer an excellent swim program in the Westridge community. In addition, sponsorship funds allow us to offer scholarships to families in financial need.

As a business owner, you will also have the opportunity to reach hundreds of swim families, coaches and officials who attend the swim meets hosted by the Westridge Waves. In addition, depending upon your level of sponsorship, your company logo and link may be displayed on our website and published in our community news letter, The Westridge Update, which is distributed to approximately 1400 Westridge families.

Support from local area businesses is needed to continually provide this wonderful program to the youth of our community. Please consider being a Westridge Waves sponsor!

Sincerely,

The Westridge Waves
Sponsorship Committee
