Nomination for Treasurer

This position needs to be moved out of the LYST team. Our current treasurer has NO swimmer at the YMCA and has continued on for an extra year. After summer champs, she will retire and the account will not be managed by LYST anymore. Paul will stay on as president until after YMCA champs and will have to resign if no treasurer is elected. Meriden Griffin at YMCA National has been contacted to help. The league can not run without this position filled. Can you qualify in summer LCM for winter SCM? No standards are not released until after winter meeting.
