Safe Fun!

The good news is tennis has always practiced physical distancing. That's why tennis is one of the fastest-growing sports. Here are some added ways we keep our campers safe:

- The maximum number of campers is 20 people/10 Doubles Teams per session.
- Campers bring their own racquet, H2O, sunscreen, hat, and beach towel.
- Partial refunds are permitted if a camper is sick.

FAQ

Why is a “youth-sized racquet” required for kids? Lightweight racquets with a smaller grip size will be easier for a child to control, and as a result, he/she will play better and have more fun. Walmart and Target sell Wilson Jr. racquets for about \$16.

What if it rains? Parents will be notified via text and email at least 1 hour prior to camp. A make-up time and day will be scheduled.
