Code Of Conduct

It is the expectation of the Suburban Swim League (SSL) that each team will have and enforce a Swimmer and Parent Code of Conduct. However, in all Dual and Championship meets, the following policy is in full force.

The purpose of the SSL is to provide boys and girls an opportunity to participate in competitive swimming, enabling them to improve their skills and abilities, and install in them good sportsmanship and team loyalty. It is essential to give all the swimmers an opportunity to compete, keeping in mind that winning is not the most important thing, but that team interaction and self-improvement are desirable goals in growing towards adulthood and interaction in life. In order to provide a safe, fun environment for all swimmers, the SSL has zero tolerance for poor sportsmanship-like behavior. If the behavior is disrespectful to ANYONE, or inhibits any meet from running smoothly, this person will be removed from the meet immediately, whether that person is a swimmer, parent, coach, or volunteer. The following behavior is unacceptable at any time:

- A. Physical contact with someone else in an aggressive manner (fighting).
 - B. Foul or offensive language.
 - C. Any other inappropriate or disrespectful behavior, as deemed by the Head Official.
- If warranted, additional penalties beyond removal from the meet may be imposed.

Article VI-4, League Bylaws

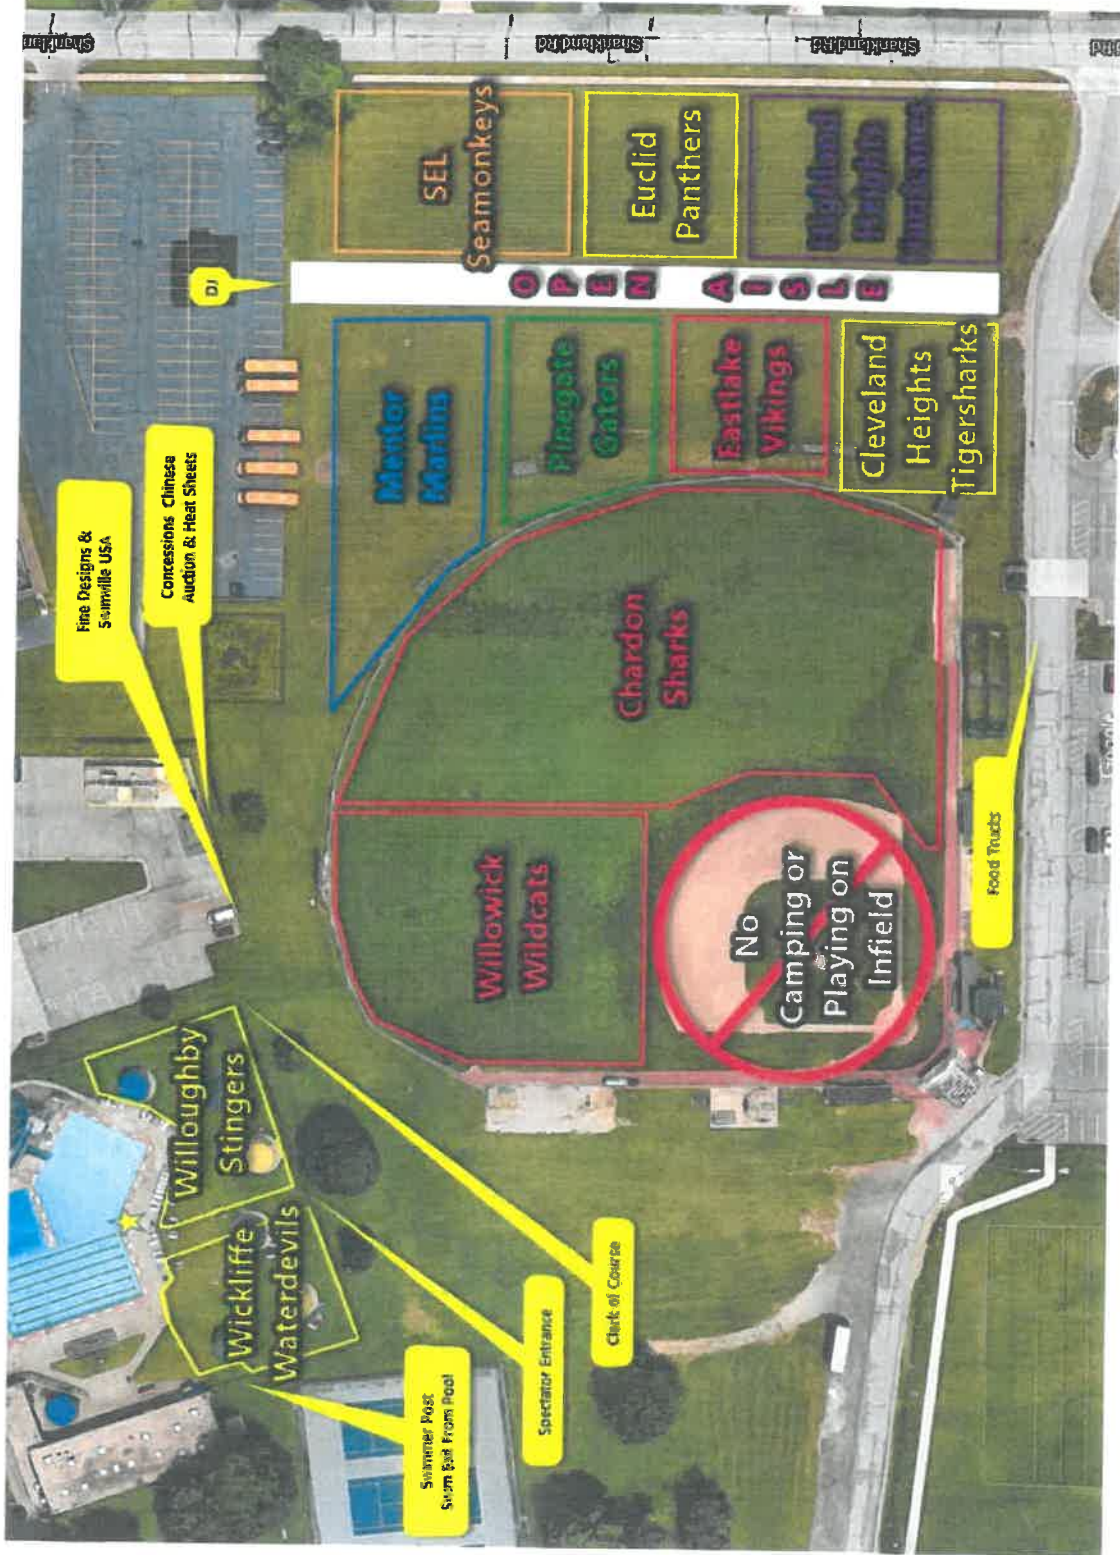

The Board will choose a Referee for the Championship Meet who shall have no direct connection with any representative team and whose decisions will be final.

- A. Any protest will be made by the coach to the Referee. See Suburban Swim League Rules and Regulations. <http://www.chardon.cc/DocumentCenter/View/1034/By-Laws>
- B. Any unauthorized interference to the operation of the meet by spectators or swimmers will, at the Referee's discretion, result in disqualification and/or removal of the offender
