Pool/Team Area Map

Team Areas:

Signs and maps will be posted for each team area (see diagram above)

Please assign one parent to walk the swimmers to the clerk of course. You may also want to assign another parent to the team area to keep kids from migrating to the playground which is immediately across the street. Bring canopies to shade your swimmers, and encourage them to bring chairs to keep them off the hot pavement. Swimmers exiting the pool may go either direction back to their team area.

Spectator Seating

There will be designated areas available for spectator seating along the pool deck, in the baby pool area, and the

Gazebo area immediately outside the pool. There will be two standing room only areas at both the start and finish to provide a clear view for parents and fans to watch their swimmer's race and snap a great photo. Marshals will ensure that these areas stay fluid and people are not camping out. These areas will be marked by tape or rope, and no chairs will be allowed. Marshalls will also keep key areas clear, please help them by keeping the following areas clear: walkways, areas behind timers (at both ends of the pool), runner path, officials/coaches, computers, and the clerk of course.
