Section 1

READ THIS FIRST!

This section contains answers to frequently asked questions and other important facts about the team and the season. **If you read nothing else in this handbook, please read this section!**

REFUNDS

What is the Pirates refund policy?

Refunds are available on registration fees and snack bar donations only. Full refunds are available up to the first practice. 50% refunds up through the Monday following the first meet. All refund requests must be submitted via email to swimteam@peachwoodpirates.com Custom caps and swimwear is not eligible for a refund, however, you may offer suits for sale to remaining team members.

PRACTICE TIMES

What happens if my child cannot make the allotted practice time? Can they attend practice with one of the other age groups?

Swimmers are expected to attend practice with their age group in the allotted time slot as their practice is structured based on the events in their age group. However, exceptions can be made based upon available space in other time slots and on swimmer ability. The coaching staff recognizes the importance of attending practice and will try to accommodate any requests. However, this year we have certain age groups that cannot handle additional swimmers, so please be aware of this as it may not be easy to move swimmers from their original practice times.

VOLUNTEERING

Why is there such a push to find volunteers for meets and other activities?

Unlike many other sports, managing a swim team and swim meets requires a significant amount of time outside of the coaching staff. Each family should be prepared to **volunteer their time over the course of the season**. The number of hours depends on the number of home meets, team events, and league commitments. An exact number will be sent out prior to the start of each season.

For home meets, the team needs volunteers to staff positions during the meet. More information on the meet requirements is provided later in this document.

Beyond the meet requirements, the size of a typical swim team requires a lot of coordination and excellent communication between coaches, swimmers and parents.

Assisting with team events such as team dinners, picture day or fundraisers all count as volunteer time, so meets are not the only time to gain credit hours.

DUAL MEETS

How do the coaches determine in what events my child swims?

Determining which events your child will swim each week is not as simple as it seems. The coaches review each swimmer's abilities, their progress from week to week in each stroke, attendance and effort at practice, together with information available to them on the times posted by swimmers from the opposing team. The fastest swimmer in a given stroke does

not always swim that stroke if their ability is needed in a different event. The number of events in which a swimmer can participate is limited by the league by-laws. If you have any questions on events selected for your child, please, don't hesitate to ask the coaches. They will be happy to discuss and explain their strategy for you.

Only first place matters in meets.

FALSE! In a dual meet format for individual events, the first place finisher receives 5 points, second place 3 and third place 1. A team that takes second and third place still receives 4 points and stays close on the total score for the meet. Stress to your child that **second and third place matter** to the success of the team and that they should always work hard to swim as fast as possible.

If I don't place in the top three places (for individual events) or first place (for relay events) the team cannot earn any points.

FALSE! Sometimes swimmers are disqualified and are not eligible to place. Therefore, swimmers placing fourth and sometimes even fifth could get a ribbon and earn points for the team! Swimmers are encouraged to finish strong no matter where they are in the event.

My swimmer came in (1st, 2nd, or 3rd) but did not receive a ribbon. Why not?

Three reasons are possible:

1. While we all wish mistakes never happen, but they do. This could be an oversight by the scoring table. We will correct these anytime they are identified; or
2. Your child may have been disqualified by an official, allowing a ribbon to go to the next swimmer instead. If this happens, the coaches are notified as to the reason of the disqualification. Often the coaches are aware and witness the reason for the disqualification. Please check with the coaches for more information if this occurs; or
3. Your child may be swimming in an "unofficial" heat. There is 1 official heat for each event, and it is typically the first heat. Swimmers from both teams will swim against each other in the official heat. Unofficial heats are extra heats that allow opportunities for swimmers to better their time in an event, even though these heats do not score points for the team.

Regardless of the heat in which they swim, any swimmer that improve their best time in any individual event will receive a Personal Best Ribbon at the next practice!

PEACH BOWL (GLOUCESTER COUNTY CHAMPIONSHIP MEET):

When and what is the Peach Bowl?

The Peach Bowl, also known as the Gloucester County Championship meet, is where the Gloucester County swim clubs from both area swim leagues (Suburban and Tri-County) send swimmers. There are currently 3 clubs from our league and 6 clubs that swim in the Tri-County Swim League.

Why do only some swimmers go to the Peach Bowl and not the whole team?

As a multi-club event, in order to manage the length of the meet, each club is only allowed to send one swimmer per event. With a total of 66 events, even with multiple swimmers in

the relays, not all swimmers will be able to participate. Typically, the fastest swimmer per event participates but this may change due to availability of swimmers.

Why does my child only swim in one event at the Peach Bowl?

The meet is designed to have the top swimmers from each club compete head-to-head. Since the meet is always held in the evening, time restrictions do not allow for teams to enter more than one swimmer per event. According to the rules, each swimmer may only participate in one individual event and two relays.

For more information about this event, click the link below:

<https://peachbowl.swimtopia.com/>

SUBURBAN LEAGUE CHAMPIONSHIP MEET

What and when is the League Championship meet?

The final meet of each season is the league championship meet and is either held the last week in July or the first week in August, depending on the meet schedule, July 4th holiday and whether or not we have a bye week. The location of the meet will be distributed at a later time

As this is a championship meet, not all swimmers will be able to attend. Each club may send a minimum of two swimmers per event. The championship meet has published qualifying times and if more than 2 swimmers meet the qualifying times the club may send all those that qualify. Qualifying times will be posted on the swim team bulletin board and the team website prior to the first meet of the season. Swimmers that make one or more qualifying times in their age group will receive a special SSA Qualifier swim cap!

For more information about this event, click the link below:

PIRATES SWIM TEAM

The Peachwood Pirates Swim Team is a summer swim team program open to all club members and eligible employees of the Peachwood Recreation Club. The Peachwood Recreation Club is a private swimming and tennis club located in the Beckett section of Logan Township, NJ.

The Pirates compete in the Suburban Swim Association league, comprised of teams in divisions across Burlington, Camden, Gloucester, Salem and Cumberland Counties of Southern New Jersey.

ELIGIBILITY AND SWIMMER MINIMAL REQUIREMENTS

Swimmers between the ages of 3 and 18 by June 15th are eligible to swim on the team. Swimmers will compete for the duration of the swim season based on their age as of June 15th of the current year. Per our league rules, swimmers must be members of the club, entitled to full use of the facilities with no restrictions, or be lifeguard employees of the club. This prevents teams from “recruiting” swimmers to participate on the team without becoming club members. Employees are eligible providing their employment is not based upon swim team participation.

Swim team participation is focused on improving stroke mechanics and stamina. It is not a substitute for swimming lessons. Eligible swimmers 8 years and younger must be able to swim one lap (25 meters) of the pool unassisted. Swimmers 9 and older should be able to swim two laps (50 meters) unassisted. Judgments will be made by the coaching staff. Swimmers not able to complete the minimum requirement will have one week from the start of practice to meet the requirement. Full refunds will be provided for swimmers unable to meet the requirement.

Additionally, young swimmers, typically 3 years old, who would like to join the swim team should also be able to swim one lap while doing any of the four strokes. They should be able to place their entire face underwater and use a kick-board without assistance. Swimmers should be FEARLESS and able to support themselves on the wall for extended periods of time as coaches are not always able to be in the water with a swimmer.

SWIM SEASON MEMBERSHIP FOR WAIT LISTED FAMILIES

In order to swim on the Peachwood Pirates swim team while waiting for a full membership spot to open, we have created a swim season only membership. This membership allows a family to join the swim team while waiting for a spot to open at Peachwood. This membership only allows the family to join from the pool’s opening day (Saturday of Memorial Day weekend) until the swim banquet (typically the evening of the last day of League Championships). Be advised that once your family’s name reaches the top of the waiting list and you are offered a membership, you must become a full Peachwood member to continue to swim on the swim team. If you choose to pass up your chance to become a member, you can move to the bottom of the wait list, but your swimmers cannot join swim team if that is the decision you have made.

PARENT PARTICIPATION REQUIREMENTS

In order to host and attend swim meets, parent participation is required. It takes roughly 25 parent volunteers to host a meet, and about 12 volunteers for away meets. Meets cannot be held without the participation of parents. In addition to meets, there are many aspects of the team that

require parent involvement, including planning social activities, coordinating registration and swim suit orders, equipment maintenance (starting system, stopwatches, etc.), home meet snack bar, setup and cleanup for meets, advertising and fundraising, to name a few. ***By registering your swimmer(s) for the Pirates Swim Team, you are also making the commitment as a parent to volunteer your time to help with these activities.*** Accordingly, if you cannot commit to fulfilling the volunteer responsibilities of a Pirates Swim Team parent, please do not expect that your child(ren) will be participating in swim meets. More information on ***required volunteer time*** and activities will be provided prior to the start of the season.

EVERYBODY SWIMS, EVERYBODY WINS!!

Section 3

COACHES AND COMMITTEE INFORMATION

COACHES

Head Coach

Kevin Nolan

Coach Nolan was recently selected as 2017-18 New Jersey Coach of the Year for Swimming and Diving by the National Federation of State High School Associations (NFHS) after being nominated for the award by the NJSIAA, the state's governing body for high school athletics.

Coach Nolan has served as the Coach of Gloucester Catholic's Boys and Girls Swim teams for 32 years. He recently earned career win No. 400, and in 2017-18 helped his Lady Rams' team to a state semifinal appearance. His teams have captured numerous team and individual championships in league, sectional and state competition during his tenure.

Coach Nolan has guided generations of talented swimmers who have gone on to successful collegiate and professional careers. He has been selected as Coach of the Year by numerous organizations in his career, including the South Jersey Times and the NJSIAA.

Coach Nolan graduated from Gloucester Catholic High School in 1978 and Glassboro State College in 1983. In addition to heading up the Gloucester Catholic High School swim team he has also previously coached in the summer at Gloucester City, Peachwood and Green-fields swim clubs.

Assistant Coach

Emma Billings

Emma swam for the Gloucester Stingrays growing up and is currently swimming at East Stroudsburg University. During her swim career, she was a member of the Greater Philadelphia Aquatic Club and Tide Water Aquatics Club and also a captain for Gloucester Catholic's swim team. She is currently studying special education and middle level education at East Stroudsburg University while also lifeguarding and teaching swim lessons there. Emma is excited for the season and looks forward to working with every swimmer!

SWIM TEAM COMMITTEE

The Pirates Swim Team Committee is the backbone of our program and provides support to ensure an effective and successful program for our swimmers. The purpose of the Pirates Swim Team Committee is to manage the overall organization of the program and coordinate team activities including meets. There is no limit to the number of committee members and we are always looking to increase participation in managing the team.

The Swim Team Committee begins planning for the upcoming season starting in January and we meet every two weeks until the season begins, then as needed during the season. Committee activities include planning the team calendar, discussing selection and purchase of a team gift, planning and coordinating of team social functions and end-of-season banquet, identifying and coordinating fundraiser(s), finding volunteers for meets and other activities during the season, managing the coaching staff including hiring of new coaches, equipment maintenance and replacement, and managing our online website and registration system. We need assistance with these areas and other related tasks. We look forward to having parent participation in all facets of team activities. We hope that you will be available and excited to help out in some area.

The committee currently consists of:

- Kathy Beaver
- Chris Cordery
- Megan Corey
- Steve and Karen DeVito
- Suzanne Esfahani
- Della Fox
- Shannon Green
- Nick Kline
- Fran and Tamara McGovern
- Heather Scheckner

The Swim Team Committee is always looking for new parents to learn and help with the team events. The swim team program is most successful and enjoyable for all involved when participation is from the **family**, as well as, the swimmer. Sharing the tasks together means no one group will be overburdened.

General Committee Email: swimteam@peachwoodpirates.com

The swim committee is composed of all volunteers assigned to following task groups.

Group and Description of Duties
Equipment - Stopwatches, Starting System, Backstroke Flags; lane lines, etc.
Social Events such as <ul style="list-style-type: none"> • Splash Dances; Banquet; Team Dinners
Banners – sponsorship banners hung at the pool
Fundraisers
Advertising/Publications <ul style="list-style-type: none"> • program book ads; Newtown Press articles;parent handbook updates
Senior Recognition - Bios for Peach Bowl and SSA Champs; Final meet gifts
Pirate Wear <ul style="list-style-type: none"> • Annual apparel plus goggles, straps; caps, etc.
SSA League Representative <ul style="list-style-type: none"> • 8-9 meetings/yr. Monthly beginning in January. Votes on issues affecting the league
Team Communications and Website <ul style="list-style-type: none"> • Updates team website; sends out team emails;
Entries and Statistics <ul style="list-style-type: none"> • Online meet setup and entries; entry cards created; time entry; meet reports; ribbon labels; newspaper results
Team Bulletin Board <ul style="list-style-type: none"> • Maintains information on swim team board at pool
Peach Bowl Team Rep <ul style="list-style-type: none"> • Attends 1-3 meetings on Peach Bowl; Handles communication regarding meet; coordinates apparel orders as needed
Snack Bar <ul style="list-style-type: none"> • Manages snack bar for meets and social events
Volunteer Signup and Signoff <ul style="list-style-type: none"> • Setup signup sheets and hours; confirm attendance; generate volunteer hours reports
Team Dinner Coordination <ul style="list-style-type: none"> • Ensures dinners are planned and successful
Treasurer <ul style="list-style-type: none"> • Tracking financials; categorizing revenue/expenses

Section 4 SWIM PRACTICE SCHEDULE and GUIDELINES

PRACTICE SCHEDULE

Practices are divided into three groups initially based upon age and subsequently by ability. Group mobility will occur (either upwards or downwards) at the beginning of the season and year to year due to coaches' evaluation of the athlete's commitment level, space availability in each squad, work ethics and overall progress. Swimmers should only attend practice sessions that pertain to their assigned practice group.

Parents that cannot make their child's assigned practice time should discuss alternate arrangements with the head coach. Coaches will try to accommodate all requests but will not do so to the detriment of other swimmers. Parents should understand that swimmers attending practice outside of their assigned practice group make it harder for the coaches to focus on the group as a whole.

Coaches understand that swimmers may not be able to make all practices due to vacations and parent work schedules. Swimmers should be able to make at least three practices per week however. Please discuss specific details with the coaching staff so they can plan practice sessions accordingly.

2022 Practice Schedule (Weekdays Monday-Friday, May 23 - June 17)

Group	Time
(8&U)	4:00-4:45pm
(9-10)	4:45-5:45pm
(11-12)	4:45-6:15pm
(13-18)	6:15-8pm

2022 Practice Schedule (Weekdays Monday-Friday, June 20-end of season)

Group	Time
(13-18)	TBA
(11-12)	TBA
(9-10)	TBA
8U	TBA
(Kickboarders)	TBA

RULES FOR SWIMMERS

1. Swimmers should be on the pool deck, ready to swim **5 minutes before start time!** Always bring goggles & cap; Swim fins are optional but may be helpful in developing proper kick technique and increase leg strength. Check with the coaching staff if you have fins.
2. Long hair must be capped or tied back.
3. No gum while swimming.
4. No glass containers on the pool deck.
5. Plastic water bottles and Gatorade are allowed.
6. Let's show good sportsmanship at all times.
7. HAVE FUN!

RULES FOR PARENTS:

1. Parents remaining at the pool should not sit on the pool deck surrounding the **pool**. Parents should be under the Pavilion or on the grassy areas off the pool deck. This allows the swimmers to focus on their swimming and on instructions given by the coaches.
2. Ensure siblings (and team members not in the current practice group) do not swim in diving well, as it is a distraction to the swimmers and coaches on deck.
3. Be sure to label all your child's belongings - goggles, cap, towels, and fins. There is a lot of equipment left behind on a regular basis!
4. Please do not speak to the coaches during practice times so they can focus on coaching. Before practice starts or after the end of practice is recommended. The coaches normally have a few minutes at the beginning of each practice time during which they can speak with you.
5. If a swimmer is on medication, let the coaches know with a written note or email from the parent, explaining the conditions and any restrictions. Verbal only information is not sufficient due to the volume of communication received.
6. If bad weather does not permit a practice, you can join the clubs "Rained Out" at peachwoodrc.com to get notifications or check the www.peachwoodpirates.com website. Adding your cell phone to your profile on the website will allow text messages to be delivered to your phone for last minute changes.
7. If any questions or problems arise about practice, please contact the coaching staff.

Rule infractions can lead to dismissal from the team with no refund of fees. Any major rule infractions or blatant disregard of normal behavior will be handled following the discipline policy.

DISCIPLINE POLICY

1. First Offense: Swimmer sits out the remainder of practice and email sent to the parents.
2. Second Offense: Swimmer sits out the remainder of practice with email sent to the parents and swimmer may not return to practice until parent(s) speak with the coach
3. Third Offense: Swimmer will not participate in the next meet..
4. Four Offense: Swimmer is removed from the team.

LEAGUE ELIGIBILITY

Our team swims in the Suburban Swim League of South Jersey. Swimmer's age is determined by their age as of June 15th of the current season. The league age groups are primarily divided as follows:

- 8 and under
- 9 - 10 years old
- 11 - 12 years old
- 13 - 14 years old
- 15 - 18 years old or 15 and over (or Open/Senior)
 - Note: High school seniors that previously swam with the team but are 19 are still eligible per change in league by-laws in 2015.

MEET ATTENDANCE

It cannot be stressed enough how important it is to let the coaches know if your child is not going attend a swim meet. There is nothing worse than telling three relay participants who are at the meet that they can't swim because "Susie or Johnny" didn't show up today. It is a huge ordeal for the swim coaches to redo lineups because of late vacation notices or no shows. ***Please provide our coaching staff the courtesy of notifying them in advance when your child will not be in attendance.***

All notifications of absences from meets should be made through the meet declaration area of the team website. Instructions are sent out via email prior to each meet.

On the morning of a meet, if your child is sick, a phone number to contact the coaches that morning will be provided. Notifications should be made a **minimum of 1 hour** before the start of a meet as the coaches need to make changes to the meet sheet in the event of an absence.

TIME TRIALS

Time Trials is a pre-season event where swimmers are timed in all events. The coaches then use these pre-season times as a baseline to determine event lineups for our regular season dual meets.

DUAL MEET FORMAT

A Dual Meet consists of two teams competing head-to-head with points being awarded in each event. However, not all events are counted towards the meet score as some events are considered unofficial events (such as 6 & under events).

Scoring for events is as follows:

Individual Events*	1 st	5 points
	2 nd	3 points
	3 rd	1 point
Relay Events (Medley / Free)	1 st only	7 points

***NOTE:** A team may not sweep all three places in an individual event. Should a sweep occur, 3rd place points will be awarded to the best time of the opposing team. The 3rd place ribbon will still be awarded to the swimmer who actually finished third.

Order of Finish

If an automatic timing system in place and functional, order of finish is determined by times.

If no automatic timing system exists or is not functioning correctly, order of finish is determined as follows:

1. When the opposing place judges agree, their order of finish supersedes the result of the times.
2. When the place judges disagree, and order of official times matches one of the place judges, the official time will be used.
3. When one place judge rules a tie and the other does not, the official times shall dictate.
4. When one judge does not rule and the second judge and times match, the time shall dictate.
5. When one judge does not rule but the second judge and times do not match, the Referee shall decide.

The following table sums up the Order of Finish:

Place Judge 1	Place Judge 2	Official Times	Winner
3	3	Not checked	3
3	4	3	3
2	3	4	4
3 / 4 Tie	4	4	4
3 / 4 Tie	3	4	4
None	4	4	4
None	3	4	Referee Decides

Ribbons

Ribbons are awarded for 1st, 2nd and 3rd places for individual events, and 1st place for relay events.

Swimmers that improve their best time in any individual event will receive a Personal Best ribbon indicating all events in which they improved their best time.

Event List

A swim meet will have the following events as set by our League by-laws. Additional heats and/or events may be added at the discretion of the team coaches but do not count in the scoring of the meet. The following page is a guide showing the order of events at a dual-meet. Note that there may be multiple heats of any given event.

#	Event	#	Event	#	Event	#	Event	#	Event
1	Girls 9-10 100 M IM	15	Open 13-14 200 M MR	29	Boys 8 - U 25 M Back	43	Boys 11-12 50 M Breast	57	Boys 15-18 50 M Fly

13	Boys 11-12 200 M MR	27	Boys 15-18 100 M Free	41	Boys 9-10 25 M Breast	55	Boys 13-14 50 M Fly		
14	Girls 13-14 200 M MR	28	Girls 8 - Under 25 M Back	42	Girls 11-12 50 M Breast	56	Girls 15-18 50 M Fly		

Multiple Heats - Scoring and Non-scoring

Swimmers are allowed to compete in four scored events (3 individual and 1 relay OR 2 individual and 2 relays) plus the Individual Medley. Only the first heat of any given event is scored for the purpose of calculating the total team score. However, times obtained in any event do count as official times and may be used to qualify for championships.

GENERAL MEET INFORMATION

1. It is very important that you, as swimmers and parents, make every attempt to be at every meet. This is a team function. Roughly 25 adults are needed to run a HOME meet and 15 adults at an away meet. Your participation is required to ensure meets run smoothly.
2. Arrive for meets 1 hour before the meet's scheduled start time, or 15 minutes before we are to be in the water for warm-ups. Bring sweat suit or other warm clothing to wear in between swimming events in the event the weather is cooler.
3. Check in with the coaching staff upon arrival so they can make any last minute adjustments as needed.
4. Event assignments (Meet Sheets) for upcoming meets are begun one week before regular meets and two weeks before invitational meets. If a swimmer will not be able to attend an upcoming meet, it is imperative you notify the coaching staff as early as possible. The loss of an expected swimmer in a relay can cause three others to not be able to swim. Please be considerate of this fact.
5. Entry sheets will be posted on the website the night before meets and on the wall near the swimmers' staging area prior to the start of a meet. Please check the meet sheet when you arrive and if you notice a 'mistake', please notify the coaches immediately.
6. Team suits should be worn for all meets. Team caps may be available on a year to year basis. Please do not wear team suits to practice as they will deteriorate due to the chlorine in the water and may not last the entire season.
7. At a meet, the swimmers are expected to stay in the team area. If you need to leave the team area, please let one of the staging volunteers know. We need to know where swimmers are at all times to be able to stage them for upcoming events. Expected time for a meet is 3 to 4 hours, depending on team sizes.
8. Support and encourage all swimmers, including those on the other team...before, during, and after all heats. Derogatory comments or actions will not be tolerated.
9. Scoring - All Lanes are Official in a 6 lane pool, 4 are official in a 4 or 5 lane pool. Swimmers placing 1st through 3rd score points for our team and will be awarded ribbons (for regular meets). Invitational meets may modify the awards.
10. Ribbons will be given out at the next practice or put in swimmers mail box.
11. At AWAY MEETS we are guests and need to pick-up TRASH in the team and parent areas so it is neat when we leave! *Please select a location to meet your swimmer in the event of a fire alarm or emergency!*

LEAGUE CHAMPIONSHIPS

The Suburban Swim League Championships are held on the weekend following the last regular season dual meet. The host club rotates each year throughout the league. The host club makes the decision to hold the meet at their home club or at GCIT or an equivalent indoor venue. The host

club also determines the timing of the meet and can select to run events on any or all of Friday evening, all day Saturday and all day Sunday.

PEACH BOWL (GLOUCESTER COUNTY CHAMPIONSHIPS)

Gloucester County is home to eight swim clubs that participate in two leagues, the Suburban Swim League and the larger Tri-County Swim League. Each year, the eight county teams come together for a joint county-wide meet to determine the top swim team in the county. Many of the other teams are much larger than Peachwood with many more year round swimmers so this becomes more of a fun meet for Peachwood as well as a chance for our best swimmers to grab individual bragging rights. Hosting the meet is on a rotating basis between the eight county teams. Peachwood last hosted this meet in 2019. The meet is normally held on a Tuesday evening of the week prior to our league championships. NOTE: Due to the number of teams that participate in this meet, there are limitations on the number of swimmers that can attend. Only the top swimmers in each age group and stroke will attend. The coaching staff will make the final determination on attendance based upon existing times, participation at practices during the year, and overall potential of each swimmer.

PIRATE BOWL

The Pirate Bowl is a Peachwood only meet at which the team is divided into the red and the black teams to compete against each other in a series of fun and different events. The goal is to introduce more kids to the benefits and fun of joining a summer swim team. This is a fun meet for the kids and an annual tradition at Peachwood. This meet is normally held mid to late season, often the week before the Peach Bowl. This meet is optional and may not always be held due to scheduling conflicts.

Specific details are announced each year regarding the annual Pirate Bowl format. All swimmers are expected to participate and there will be events for parents to get involved as well.

UNOFFICIAL OR "B" MEETS

"B" meets are unofficial meets that are held against clubs that we might not normally swim during a season. In the past, Peachwood has held "B" meets against Whitman Square Swim Club in Washington Township and Chestnut Run Swim Club in Woodstown as they swim in the Tri-County Swim League. We have also held "B" meets against teams in the other division of our league. "B" meets typically offer swimmers the opportunity to swim in events they may not normally swim in at a competitive meet. Different distances may be involved, and/or age groups may be combined in relays. These meets do not count in any standings and times are unofficial for the purposes of attending league championships unless run as a standard SSA meet against another SSA team. "B" meets are scheduled each year based on availability of dates during the season and ability to coordinate with other teams.

Section 6

MEET OFFICIALS AND VOLUNTEERS

MEET VOLUNTEERS

To have a successful swim team requires a significant volunteer effort by the parents and guardians of swim team members. Each team must supply a number of volunteers for each meet to be held and run efficiently. This section outlines the requirements for volunteers needed at meets.

The table below outlines the volunteers needed to run a successful meet. Those listed in **BOLD** require league certification.

Position	Meet Duties
Referee	Has full authority over meet once it begins. Approves all DQ's. Ensures rules are applied fairly. Can override any other official. Signals Starter that course is clear before each event.
Starter	Upon signal from Referee, assumes control of swimmers until fair start achieved. Ensures swimmers are ready and set for legal start. May announce upcoming event if no Announcer is present. Sounds warning signal for races of 500 yards or more.
Stroke and/or Turn Judge (2)	May be combined or separate. Stroke Judge observes swimmers within jurisdiction to ensure rules related to a particular stroke are followed. Turn Judge observes swimmers within jurisdiction to ensure start, turn and finish rules related to a particular stroke are followed.
Chief Judge	Assists Referee by managing deck officials, reviewing DQs, filling in as needed.
Announcer	Announces upcoming events and optionally participants in the event by name and/or team.
Place Judge	Records the order of finish by lane number.
Head Timer (aka Chief Timer)	Responsible to check stopwatches, handle timer lane assignments and hand-out watches.
Head Lane Timer (1 per lane)	Records the times of their watch and those of the other timers in their lane.
Lane Timers (1 per lane)	One of three individuals per lane responsible for starting their watch on the start flash and stopping when swimmer touches the wall.
Runner	Collects cards from head timers and place judges, sorts in order by lane and turns them into the scorer table.
Staging (aka Clerk of Course) 3-4 Needed	Gathers swimmers and hands out cards to swimmers as their events come due.
Scorer	Works with scoring assistant and records results on the official meet sheet. Two scorers are required, one from each team, doing parallel work as a check and balance.
Scoring Assistant	Receives cards from runner; orders cards, reviews place slips, passes info to scorer
Ribbon Writer	Writes award ribbons based on results provided by Scorer
Computer Clerk	Enters times into our tracking system so we can generate reports

MEET VOLUNTEERS – MEET CHECKLIST

Each volunteer has a set of duties to ensure their position is prepared for the meet start. The table below is a checklist of requirements for each of the positions:

Position	Checklist
Referee	Coordinates all volunteer officials for meets. Ensures pool is setup correctly for meet. Overhead flags are in place. Starting blocks are secure. Lane lines are straight. Pool area is clear and safe. Manages the flow of meet and makes final decisions regarding the meet.
Starter	Day before home meet, ensure starting system is operating correctly and is being charged. Day of meet, setup starting system and test for correct operation.
Stroke and Turn Judge	Get DQ slips from scorer's table. Identify lane and heat of swimmer along with details on infractions when they occur.
Announcer	Ensure PA system is setup and operational.
Place Judge	Retrieve place slips from scorer's table. Identify order of finish by event and heat.
Head Timer (aka Chief Timer)	Get out all stopwatches. Check for correct operation. Hand out stopwatches to all timers. Time all events and heats in the event a lane timer needs assistance.
Head Lane Timer	Retrieve clipboard from scorer's table. Collect cards from all swimmers by event and heat. Verify swimmer name prior to start or upon exiting the pool at the conclusion of the event. Record three times per event. Circle MIDDLE time.
Lane Timer	Start watch for all events and heats at the strobe flash even when no swimmer is in your lane (nearby timers might need your watch). Stop watch when swimmer touches wall (not simply breaks plane – must touch). Report time to head timer.
Runner	Collect cards following each event and heat from timers and place judges. Sort cards by lane and deliver to scorer's table.
Staging	Stage swimmers by event to report to lane prior to their events.
Scorer	Reviews cards as delivered from runner (or from recorder) to ensure accuracy. Records times and points for both teams. Passes cards to opposing team scorer.
Scoring Assistant	Reviews cards delivered by runner. Verifies middle time on each card and circles and/or corrects if necessary. Sorts cards by place and passes on to scorer.
Ribbon Writer	One from each team. Collects cards for their team and writes out ribbons as needed.
Computer Clerk	Comfortable learning new PC software and good attention to detail.
Concessions	Sell concessions during the home meets

OFFICIAL'S CERTIFICATION

Swim official's certification is needed for those who wish to be Stroke and Turn Judges, Starters and/or Referees. There are two major bodies that provide certification, USA Swimming and YMCA Swimming. There is little difference between the two and work is ongoing to merge into a single certification body. The main differences deal at the Referee level with how meets are scored. Because of this difference, any official working as a **meet referee** must be certified through SSA. Stroke-n-Turn officials that are certified through USA Swimming or YMCA Swimming will be honored by SSA by providing a copy of a current certification card prior to the beginning of each season.

SSA Officials' clinics are held each year for those who are interested in attending a certification class. It is a great way to learn the rules and regulations of swimming and have the best view of the pool during meets! A certification class takes about 2 hours. Course times are announced each May.

SNACK BAR

Throughout the season, the snack bar serves as our primary source of fund raising. Your help in our fundraiser is needed for a successful outcome. Money that we raise supports the team. Consistent help is always needed at the snack bar with set-up, selling, and clean-up.

PIRATE SPIRIT WEAR (APPAREL)

Each year, the team organizes an order for team logo apparel. Orders are usually placed prior to the summer season to have items available for our regular meets. We are utilizing swimoutlet for our spirit wear this year. All money is due when order forms are submitted.

TEAM SPONSORSHIPS

The Pirates sell 4'x3' banners that are hung across the tennis court fence. The banners are displayed full time through Labor Day each season. Please let us know if your business would like to purchase a banner.

FUNDRAISING

Registration fees do not cover our team expenses, which include league fees and insurance, coach's salaries, annual equipment needs, swimmer recognition and other miscellaneous expenses. The snack bar at our home meets and the various activities planned throughout the season help to offset our expenses. This includes splash dances, team merchandise, etc. Participation would be greatly appreciated and help make these activities successful.

Section 8

SOCIAL ACTIVITIES

Throughout the season a number of social activities are held based upon interest and participation. The swim committee determines the dates and appoints a sub-committee to organize each activity.

Participation is encouraged and needed for a successful outcome. Profits earned from the snack bar and other fundraising activities are used to support these social gatherings.

Some of the activities include:

PARENT MEETING

Typically held before Memorial Day. All parents are requested to come out to learn more about team needs and hear from the coaches on the upcoming season. Forms for team apparel will be distributed and volunteer requirements discussed. The coaching staff and representatives from the swim team committee will be available to address any questions from the parents.

PRE-MEET DINNERS

Usually held on Friday nights before home meets or Wednesday nights during Pirate Bowl typically from 6pm to 8pm. Dinners may be pasta dinners, pot-luck, pizza, etc. Team dinners are scheduled each season based upon the team schedule and availability of the pool pavilion as well as interest in coordinating a dinner. If you are interested in helping to coordinate a dinner, this qualifies for volunteer time. Please contact a swim committee member if you would like to help.

PICTURE DAY AND BREAKFAST

On the morning of team pictures, all swimmers will be expected to be at the pool in the same hour. Individual pictures will be taken before and after the team picture, weather permitting. Bagels and/or other breakfast food will be served.

END OF SEASON BANQUET

This event is a gathering of all swimmers and their families for an end of the season party. The exact banquet date is set each year but is normally held on the Sunday of the league championships weekend. This event offers the opportunity to recognize swimmers for their accomplishments and parents for their participation and support throughout the season. If parents are satisfied with the coaches, they are encouraged to contribute to the coaches' gifts which will be presented as well.

Section 9

COMMUNICATIONS

Communication is key to ensure everyone is working together to make our team a success. Please check the locations listed below regularly to stay up on swim team information:

WEBSITE

The primary and most up-to-date resource for team communications is the team website. The team website can be accessed at <http://www.peachwoodpirates.com>. It is important to ensure your email address is correct on the site. You may add multiple email addresses as well as include your cell phone for last minute text message delivery. Text messages may be used in the event of a last minute practice or meet cancellation where swimmers may already be on the road so it is important to add this capability to your account if you have a phone that supports text messaging. General email for swim team swimteam@peachwoodpirates.com

The swim team also has a Facebook page, <https://www.facebook.com/peachwoodpirates/>

Please join our Facebook group for updates from the swim team committee.

Please download the OnDeck app for up-to-date information from committee members and coaches

MEET RESULTS AND STATISTICS

Meet results along with up-to-date statistics will be available on the peachwoodpirates.com website typically within 24 hours of regular meets.

EMAIL DISTRIBUTION

All communications to team members are sent via an email distribution system on the www.peachwoodpirates.com website. It is important to maintain current email addresses on our website to ensure delivery of team information. Event announcements, meet deadlines and entries, etc. will all be sent via email.

CANCELLATIONS AND NOTIFICATIONS

All last minute communications such as cancellations and other notifications are made via both email and SMS messaging through the www.peachwoodpirates.com website. It is important to include multiple email addresses and cell phone numbers (be sure to verify) to ensure timely delivery of notices.

SWIM TEAM BULLETIN BOARD

The swim team bulletin board is located inside the club near the fence closest to the parking lot. Announcements, sign-ups, qualifying times, and various statistics can often be found on this board. Please note that this board may not always have the most up-to-date information and you should rely on the peachwoodpirates.com website and team emails when in doubt.

MAIL FOLDER BOX

The Team Mailbox is located on a table outside the men's restroom entrance, or may be found in the office. Each family will have a folder in the mail box and should regular check it for forms and announcements. Ribbons from the meets will be placed in the folders by Tuesday of each week, if not sooner.

Section 10 DIRECTIONS TO AWAY MEETS

AQUA BARONS OF BURLINGTON COUNTY

Address: Rancocas Creek Dr, Pemberton, NJ 08068

The Aqua Barons home pool is indoor at Rowan College at Burlington County Pemberton Campus. Follow Rt. 295 North to Exit 40A. Follow Rt. 38 East approximately 14 miles, crossing over Rt. 206. Continue on South Pemberton Rd (Rt. 530) for about 4.5 miles. It will turn into W. Hampton Rd. then Pemberton Bypass. Turn right onto Rancocas Creed Dr. If you reach Pemberton Browns Mill Road you have gone to far.

COLLINGSWOOD SWIM TEAM

Address: 215 Hillcrest Ave, Collingswood, New Jersey 08108

Directions: Rt. 295 North to I-76 West to Rt. 130 North for about 3 miles. Turn right onto Haddon Ave. for about ½ mile, and then left onto Hillcrest Ave. Pool will be ahead on the left. Continue to the right around the pool to the entrance.

ELMER SWIM CLUB

Follow Route 40 East through Pole Tavern Circle into Elmer (about 3 miles past circle). Watch for Jay Fisher Pontiac on the left, then take right onto Garrison Road. About 1/2 mile to Elmer Swim Club on the left. Look for a blue and white one story building. Club sits back from the road a bit.

GLOUCESTER CITY SWIM CLUB

Take Rt. 295 North from Beckett. Merge onto I-76 North towards the Walt Whitman Bridge. Take exit 1D onto Rt. 130 North towards Collingswood. Turn left at first light off exit onto Klemm Ave. Follow Klemm around bend - it will turn into Johnson Blvd. Go past multiple sets of baseball/softball playing fields on the right. At end of Johnson bear left and pool will be immediately on the right.

GLOUCESTER COUNTY INSTITUTE OF TECHNOLOGY (GCIT)

Tanyard Road, Sewell, NJ. 856-468-1445 (ext. 2664). Route 55 South to Exit for 47 North. Turn left at first light onto Bankridge Rd. Follow to next light and turn left onto Tanyard Rd. GCIT is on the left about 1/4 mile.

HADDON TWP (CRYSTAL LAKE POOL)

Route 295 North to Exit 29B (Rt 30 West). Follow Rt. 30 West to Kings Highway. Turn RIGHT on Kings Highway. Continue 2 BLOCKS and turn LEFT onto Crystal Lake Ave. Continue approximately 1 mile to Hardenbergh Recreation Center, Crystal Lake Pool on the right. Club phone number is (856) 854-9229.

HAMMONTON SWIM CLUB

Address: Berwyn Avenue, Hammonton, NJ 08037

Directions: Rt. 322 East to Rt. 54 North to Rt. 30 South for ¼ mile. Turn right onto Woodlawn Ave. then first left onto Berwyn Ave. Pool is on left. Parking lot is small but parking on the street is available.

LAKE KANDLE (WASHINGTON TOWNSHIP)

Rt. 322 East towards Glassboro. After crossing Route 55, about 1 mile left onto Bowie Blvd. Continue straight about 1.5 miles to T intersection and turn left onto Greentree Road. Continue 1.3 miles and turn right on Chapel Ave. Destination will be ½ mile ahead on right.

LARCHMONT SWIM CLUB

Rt. 295 North to Exit #40/Rt. 38/Mt. Holly. Follow Rt. 38 East about 1 mile to Hartford Road. Turn right onto Hartford Road. Continue about ½ mile and turn left onto Union Mill Road. Less than ½ mile turn left onto Larchmont Boulevard. Club will be on the left.

MEDFORD VILLAGE SWIM TEAM

Address: Golf View Dr, Medford, NJ 08055

Directions: Rt. 295 North to Exit 34A, Rt. 70 East about 8 miles. Turn right onto Hartford Road for about 1 ¼ miles. Turn left onto Himmelein Road for about ½ mile then first right onto Golfview Drive. Continue to end of Golfview Drive for entrance to parking lot.

RAMBLEWOOD SWIM CLUB

Address: 200 Country Club Parkway, Mount Laurel, NJ 08054

Rt. 295 North to Exit 36A, Rt. 73 South. Follow Rt. 73 south for 1 mile and turn left onto Church Rd. In ½ mile, turn left onto County Club Parkway. Club will be about a quarter mile on the left.

RACCOON VALLEY SWIM CLUB

Address: 25 Eric Road, Mullica Hill, NJ 08062

From Swedesboro, follow Lake Ave/Franklin Street to Franklinville Rd. Turn left after 1.5 miles onto High St. Continue about 3 miles and turn left onto Eric Rd. Destination will be straight ahead.

TARNSFIELD SWIM CLUB

Route 295 North to Exit 45A. Go through the light at Irick Road. Continue past the community center and the pond on your left. Make the first LEFT after the pond onto Tallowood Drive. Continue on Tallowood Drive to the stop sign and turn RIGHT onto Greenwich Drive. Make the first RIGHT onto Tarnsfield Road. Pool will be ahead on the right.

VINELAND SWIM CLUB

Address: 1267 East Elmer Road, Vineland, New Jersey 08361.

Route 322 East to Route 55 South. Take exit 29 onto Route 552 (W Sherman Ave). Turn right off ramp and continue to 2.5 miles and turn left on S. Main Road (Rt. 555). Continue about 1 mile and turn right on E. Elmer Road. Club will be about 1/4 mile ahead on the right.

SWIM MEET 101

<<<some of this information is the same as above, but it is all in one place for our newer parents>>>

What should my child bring to SWIM PRACTICE?

- o Swim suit
- o Goggles
- o Swim cap
- o Water Bottle
- o Towel
- o Warm Clothing (sweatshirts, sweatpants)
- o Flip Flops
- o Swimming cap

What should my child bring to a SWIM MEET?

- o Team Suit
- o Team Cap
- o Goggles
- o Towels
- o Water Bottle
- o Nutritious Foods
- o Folding Chairs
- o Sunscreen
- o Directions
- o Highlight swimmer's name on check list on day of meet
- o Sharpie marker to write your child's events down

-
- Summer swim meets keep the same events in the same order each meet, except for championships and Peach Bowl.
 - Meets generally start between 8am and 9am, and the start time of the meet is set by the home team.
 - o However, when we are the home team (and the meet is at Peachwood), the coaches ask that you have your child check in with the coaches, so the coaches know that your child has arrived. The warmups for the different age groups from Peachwood will start shortly after checking in with the coaches.
 - o When we are the away team, our warmups and check in times are a little later. This is to allow for us to travel to the away pool.
 - Keep track of your swimmers, because each event goes quickly. You can look away for a moment and completely miss your swimmer
 - Peachwood competes in dual meets. This means that we swim against one other team.

- The home team always swims in the even numbered lanes, generally lanes 2, 4 and 6 and the visiting team swims in lanes 1, 3 and 5.
 - For pools with 5 lanes, lane 5 does not count in scoring. For pools with more than 6 lanes, additional swimmers may swim but their times are not scored in the event. A maximum of 6 lanes may compete for score.
- Typically, on the Wednesday prior to the swim meet, you need to declare whether or not you will be attending the meet. This will be done on the Peachwood Pirates website.
 - The meets are not mandatory, but it is mandatory to let the coaches know if your child will attend.
 - Over the next couple of days prior to the meet, the coaches make up the meet sheets that tell us who is swimming what events and in what lane.
 - An index card is created for each child with their name, event number, event name, and what lane the child is swimming.
- These cards are given to our parents that volunteer to “stage” the children. There are 4 volunteer slots available for every meet for staging. The index cards are handed out during the meet by our stagers. The stagers help line up your children in the correct order and assist them to get over to the starting blocks prior to their event.
- When your child gets up to the starting block and it is their turn to swim, they give their card to the timer.
- The timers use this card to record the children’s times.
- We will not be chasing children around, so your child needs to be local to the staging area. It is your responsibility to get your child to the staging area.
- Races go very quickly, especially the older age groups. We will be giving out index cards for events that could be 10 events away. So, whenever a card is given to your child, have your child remain at the staging area until they are told to go to the starting block.
- All children are broken down into age groups. Their age is based on how old they are on June 15th, 2022
 - 8 and under
 - 9-10
 - 11-12
 - 13-14
 - 15-18.
- Remember to put lots of sunscreen on both yourself and your child. Bring lots of water and a good hat.
- We encourage families to bring their own chairs. Decide in advance if you want to bring a small pop-up tent, because the meets are hot and our swimmers will need shade between events.
- At the end of a home meet at Peachwood, we ask everyone stay and help set up the pool quickly for opening (putting chairs and tables back, cleaning up trash, etc.). It would be a huge help for the pool and would be greatly appreciated!

Parents are of crucial importance to our team. We rely on them to keep all the younger children together in the team area. When we’re handing out the event cards, we need to be able to find them quickly and easily, to avoid having a child miss a race

MEET EVENTS

- Most outdoor pools are 25 meters in length. Indoor pools are generally 25 yards in length. There are a couple of pools in our league that are 25 yards (which is about 7 feet shorter than 25 meters).
 - Each lap across the pool is equivalent to 25 meters (or 25 yards in those pools measured in yards).
- Boys and girls generally swim each event separately. However, there are a few events that are "open" or "mixed", allowing both boys and girls to compete. The event list earlier in this document provides this information.
- The events for each stroke go from youngest to oldest. The girls in a given age group swim the event first, followed by the boys.

100 Meter Individual Medley

The first event of every meet is the 100 meter Individual Medley, also known as the 100 IM. Get used to abbreviations.

- Girls and boys ages 9 and up can swim this event.
- While there is no 8 and under IM event, a younger swimmer may be asked to "swim up" to participate in the IM. This is legal.
- In the 100 IM, one swimmer swims one lap, which is one length of the pool, of each stroke in a specific order: butterfly, backstroke, breaststroke, and freestyle.

Medley Relay

All age groups swim the Medley Relay, including 8 and under.

- The Medley Relay is a relay consisting of 4 swimmers. In the 8 and under category, boys and girls may be mixed in this relay, as well as in the 13-14 and 15-18 ages.
- For 8 and under and 9-10 age groups only, each swimmer swims one lap of the pool, each swimmer swims a different stroke.
- Swimmers in the 11-12, 13-14 and 15-18 age groups each complete two laps of a particular stroke.
- The Medley Relay has a specific stroke order: backstroke, breaststroke, butterfly, and freestyle.
- Since the younger children only swim one lap each, those swimmers swimming the breaststroke and freestyle portion of the relay must be at the opposite end of the pool, not the starting block end.
- Before the Medley Relay, we need the assistance of those crucial parents of the younger children! We need a parent stationed at each lane at the opposite end of the pool, making sure that the children are in the right place and lane.

Freestyle

After the Medley Relays come the freestyle events. These progress as the events above, from youngest to oldest, with the girls swimming before the boys in each age category.

- The children 8 and under swim a 25 meter freestyle which is 1 lap.
- Ages 9-10 and 11-12 swim a 50 meter freestyle, or 2 laps.
- Ages 13-14 and 15-18 swim a 100 meter freestyle, or 4 laps.

Backstroke

Backstroke events follow the freestyle events.

- Ages 8 and under and 9-10 swim a 25 meter backstroke.
- Ages 11-12, 13-14 and 15-18 swim a 50 meter backstroke.

Breaststroke

Breaststroke follows backstroke events.

- Ages 8 and under and 9-10 swim a 25 meter breaststroke.
- Ages 11-12, 13-14 and 15-18 swim a 50 meter backstroke.

Butterfly

Butterfly events follow the breaststroke.

- Ages 8 and under and 9-10 swim a 25 meter butterfly.
- Ages 11-12, 13-14 and 15-18 swim a 50 meter butterfly.

Freestyle Relay

The freestyle relays are the last events of the meet.

- Make sure to check with the coaches before you leave a meet. Your child may be scheduled to swim in this final relay. The children love relays and get a real sense of being part of a team by competing in them.
- Unforeseen circumstances may result in a child being placed in the relay at last minute!
- The relay team has 4 swimmers.
- Ages 8 and under swim a 100 meter relay, which means each swimmer swims one lap of freestyle. The 2nd and 4th swimmer in the 8 and under freestyle relay must line up on the opposite end of the pool, since each swimmer is only swimming 1 lap each.
- Ages 9-10 and up all swim a 200 meter relay, which means each swimmer swims two laps of freestyle.

Number of laps per event

(each lap is 25 meters in length)

Age group	100 IM	Medley Relay	Freestyle	Backstroke	Breaststroke	Butterfly	Free Relay
8 & unders	N/A	1 lap of each stroke	1	1	1	1	1 lap per swimmer of freestyle
9-10	1 lap of each stroke	1 lap of each stroke	2	1	1	1	2 laps per swimmer of freestyle
11-12	1 lap of each stroke	2 laps of each stroke	2	2	2	2	2 laps per swimmer of freestyle
13-14	1 lap of each stroke	2 laps of each stroke	4	2	2	2	2 laps per swimmer of freestyle
15-18	1 lap of each stroke	2 laps of each stroke	4	2	2	2	2 laps per swimmer of freestyle

VOLUNTEERS

We need you to help make this a successful season! Each week, whether home or away, we need volunteers for each swim meet. Please do your best to sign up for at least one task during the season.

Did you know that it takes approximately 25 people to run a swim meet? And that doesn't include coaches and swimmers!

So who are these people?

The answer is simple...YOU, the parents and guardians of our Peachwood Pirate swimmers.

Swimming is a full family sport. To help, you will be able to sign up to assist at swim meets and team activities. Here is a quick description of the different ways you can volunteer at a swim meet to help them run smoothly and safely.

JOB DESCRIPTIONS:

Certified Stroke and Turn Judge: Training is required for those interested in becoming a Stroke & Turn Judge. Training is provided by the Suburban Swim Association (SSA) for each season. Once training dates are determined, we will publish them via **email** and on our website. As a Stroke & Turn Judge, you will determine if swimmers are following the rules for each stroke. Non-conformance, frequently referred to as “DQ” or disqualification, is noted on a “DQ slip” and brought to the scoring table.

This is a great position for either the seasoned swim team veteran or those new to swimming and eager to learn the “stroke rules” quickly!

Timers: No training is required – We provide **two** timers per lane for home meets and **one** timer per lane for each away meet. The timers in each lane start their watches at the strobe flash or the sound of the starting system and time the swimmer in their lane. When the swimmer finishes their event, the watches are stopped, and all times are recorded on the swimmer’s card for the scorer. The middle score is circled. If one timer misses the start, the Head Timer is alerted and will fill in. Volunteering as a timer is a guaranteed way to be “in the thick of it” during a swim meet.

Score Keeper: The scorekeeper takes all the swimmers’ cards and compares them with the decisions of the place judges. Then a numerical score is assigned for the first, second and third place winners, and a running score is kept. At all meets, each team provides a scorekeeper. We will train anyone wanting to learn how to be score keeper.

Place Judge: Record the order in which the swimmers finish the event. The place judges’ results are compared to each other and to the official times to determine the winner. No formal certification is required for this position. Each team provides one place judge for each meet.

Meet Runner: For home meets, the swim team provides 2 runners who pick up the swimmers’ cards from each lane and cards from the place judges after each event and then turn them in to the scorer’s table. Runners move quickly!

Concessions: Sell concessions during home meets.

Not Sure Where to Volunteer?

Have small children? We encourage parents with younger children to team up with a friend and alternate babysitting. Having smaller children does not mean that you do not have to volunteer at the meets. Some parents invite grandparents or mother’s helpers to assist them on the days that they volunteer.

Enjoy being part of the action? Timer, Runner, Stroke/Turn Judge, Place Judge and Team Helper are great volunteer positions for you.

Want to Be in the Shade and Still Watch Your Children Swim? Volunteer for Scorer or Concessions.

The document was modified from the Haddon Twp Seahawks Swim Meet 101 for our purposes. Thank you!
