Hosted by Kent Swim and Tennis Club

25821 Woodland Way South | Kent, WA 98030

This document provides Southern Division team parents with information regarding the 2021 Girls 12 and Under Preliminaries meet.

Swimmer Drop-Off - Starts at 2:30pm (see maps page):

From Woodland Way, turn into the Scenic Hill Park which is the drop off location. There is a path from the park that leads to our tennis courts which will serve as the Team Area.

The Team Area will open at 2:30 pm to set up your space (plenty of time prior to the first warm up). Please do not show up earlier as we will still be setting up.

Team Areas:

- Each team will be assigned a designated team space on the tennis courts. Look for your team's signs. (Marine Hills will be on the grass

near the playground)

- Please respect our tennis courts. Resurfacing is costly and we want to keep them in good condition.
- Please pick up after yourselves. There will be plenty of garbage and recycling on the courts as well as throughout the pool area.
- Please put a towel, cardboard, or some other type of padding down under all chairs and pop-ups. Guards will be checking and will provide duct-tape to put on the legs of chairs and pop-ups if necessary.

Parking for families:

- Visitors should park in the surrounding neighborhoods and at the Scenic Hill Park. Please respect any "No Parking" signs/cones/caution tape and avoid blocking driveways and/or mailboxes.
- Please drive slowly on all side streets and watch for kids.

Clerk of Course:

Clerk of Course will be located at the dive tank end of the pool. Please notify your swimmers of this location and have them report to the Clerk of Course at the first call of their event.

Heat Sheet/Meet Results:

- The meet program will be sent electronically to each pool for distribution to their members. Please print a copy to bring with you. We will not be selling heat sheets at this meet.

- Please note, due to changes that take place on meet day, heat sheets may not be completely accurate. Please check with your coaches and posted heat sheets at the pool on the day of the meet.
- Results will be emailed to each club.

Pool Logistics (see maps page):

- Please only go ONE WAY around the pool. Enter the pool area by the club house, walk to the dive tank area for Clerk of Course, go around the diving board to the staging area, to the blocks, and up the stairs by the tennis courts when your event is complete. This will help manage congestion behind the blocks and help with staging of the younger swimmers.
- The raised area behind the coaches is standing room only and we request that people do not camp out here but move in and out to allow everyone a chance to see their swimmer

Coaches Information:

- Coaches Scratch meeting will be held at the dive tank end of the pool at the Clerk of Course at 4:00 pm.
- Coaches will have assigned seats along the poolside and will receive 3 coaches packets.
