

# 2021 Broadstone Barracudas

## Welcome to the 2021 Season

Welcome to our returning Cudas as well as our new families! We are hard at work preparing for an awesome, albeit unique, 2021 swim season. We hope that you and your family are staying safe and healthy during this time. We want you to know that our goal, along with Broadstone Sports Club, is to maintain the safety of our swimmers, parents and staff.

The current plan is to offer as normal a program as the CDPH will allow. The Covid-19 mandated guidelines allow us 4 swimmers per lane. Swimmers will start on opposite walls or in the middle of the pool in each lane. We will be running all 8-lanes with organized age groups. We expect restrictions to loosen up as the year progresses which may allow more swimmers per lane. Due to the limited space, there is currently a max of 32 swimmers per practice time slot. To achieve proper social distancing, we ask that kids ages 10 and under only come into the pool with one parent. For ages 11 and up, we recommend parents dropping swimmers at the front of the club. The aquatic staff is excited to see your kids and get back in the water!

## About the Team

With an experienced and professional coaching staff, we offer a positive learning experience with technical skill development. We provide the foundation for swimmers to achieve their maximum potential through participation in a recreational program that promotes physical fitness, sportsmanship and the spirit of competition.

## Swim Meets

The Suburban Swim League (SSL) has decided this season will be modified to include four meets (plus Time Trials). Because of Covid-19 guidelines the annual Championship meet will not be held this summer. The current plan is for meets to be virtually held at Broadstone. But, as youth sports guidelines have been changing rapidly, some of the meets may be in person.

## Parent Volunteering

Currently, we are still working out details about volunteering at the meets and other possible events. We will need volunteers, but the extent is still unknown. Stay tuned to emails and the website for more details. Plan on some volunteer responsibilities during the season.

## Registration / Club Membership

To reserve your space on the team, you must join Broadstone Sports Club (BSC) with an effective date of April 1 or earlier. Contact the BSC marketing staff at 916-983-9180 for additional information or to schedule an appointment to rejoin the club.
