

BREAKERS SAFETY RULES & POLICIES

These rules are put into place for the safety of our swimmers, their families, and the pool members. We will be enforcing these rules and appreciate your cooperation ahead of time in keeping everyone safe. Please explain these rules to your children and to any family members who may be taking them.

- All **Shrimps** must have a parent/adult present and on the pool deck during every practice and meet.
- Please do not drop your 7+ swimmer at the pool more than 5 minutes before practice time as there is nobody on the pool deck to supervise them.
- There is a **yellow rope** that goes across the pool deck when the pool is closed to members. All Breakers families are asked to sit or move behind the yellow rope when it is put up. This is for the safety of everyone, but especially the younger siblings. There is no lifeguard on duty during our practices and the coaches are busy watching the team.
- The Beach & Swim Center will be open to members mid-week starting in the middle of May and will overlap the start of our practice times for a few days. During this overlap, there will be **NO LIFEGUARD ON DUTY** and therefore every Tega Cay Breaker and family member must follow posted pool policies.
 - If you are not a Beach & Swim Center Member, you may **NOT** use the pool during this time.
 - If you are a Beach & Swim Center Member, you must have an adult on the pool deck with you if you wish to use the pool before your practice time. If you do not have an adult with you, you will be asked to sit on the side and wait for your practice time to start.
- Do not allow your swimmers to play with any of the equipment on the pool deck or in the bathrooms.
- Please always clean up after yourselves – especially after meets (the pool deck and swimmers area must be returned to its original condition . . . Leave No Trace).
- All items left at the pool will be put in the lost and found in the Lifeguard shack.
- **BREAKERS SWIMMERS ARE NOT ALLOWED AT OR NEAR THE LAKE AT ANY TIME DURING PRACTICES OR MEETS!!!**
