A Message from your Head Coach!

Hey Piranha's,

Nice job with the first week in the outdoor pool. It's a big adjustment from swimming indoors with a ceiling to swimming outdoors with nothing. All the swimmers have been working hard at practice and it has been showing at the meets. We had a good meet again in Spring Green. We had a lot of swimmer's swim or do something new for the first time. If it was the first time they swam a certain race, adding a flip turn, or being at their very first meet ever! It was very exciting seeing all of this occur and to see how far all the swimmers have grown during this young season.

One thing that we learned at this meet is how important everyone is and can contribute to the team. I had a lot of people email me the night before the meet to cancel or just did not show up to the meet at all. It TRULY impacts the whole team when you do not come to a meet. I had to cancel several free relays and it's unfair for the families who stay the whole meet to find out someone left before the relay or one of the relay teammates didn't show up. We also lose team points if you are signed up in non-exhibition events and either cancel or do not attend the meet as planned. Teams are only allowed five swimmer changes to non-exhibition swimmers before and during each meet. It is disappointing to watch easy points go to the other team. No matter what the weather is we are going to try to at least start the meet please do not let that contribute if you are going to the meet or not.

Finally, I am hoping that this weeks practice and our first home meet run smoothly and we have a lot of fun. Home meets are very special because we know and have practiced in this pool which makes each swimmer more confident in their races. This weekend is against the Mount Horeb Gators and we are going to need all hands-on deck!! Also, please remember to sign up for the Wisconsin Dells meet, this meet is on a Thursday. This means that the deadline is going to be Tuesday, June 20th!!
