- Results will be posted in the lobby hallway and upstairs near the spectators throughout the meet.

Officiating:

- Official rulings (disqualifications) are final. The only contestation allowed is to ensure the correct swimmer was cited for infraction (checking for heat and lane).
- Times will be official 30 minutes after posting. Timer sheets and touchpads times can be used to verify results.
- If an athlete misses an event, they will not be placed in a new heat. Teams found to be inserting athletes into empty lanes may have that athlete or their entire team disqualified for the meet.
- Athletes must wear caps representing their team or no team. Examples- Bridlewood cap is good, wearing Marcus cap for this meet is not. Nike cap is good, wearing NTN or LAC cap for this meet is not.
