## August 2010 – End of Season

---

### Coaches' Corner

Congratulations, Stingrays, on a fabulous swimming season! It's hard to believe the summer swimming season is already over! How it has flown by! Thanks to all the swimmers and their families who have helped to make another successful season for the Cross Plains Stingrays. The swimmers' hard work and dedication to the team created another wonderful summer of swimming for Cross Plains. We wish you all a wonderful remainder of your summer, and hope everyone has a great school year. We look forward to seeing everyone next summer!

### Stingrays 3Peat

It has been said that it's harder for a champion to repeat than to win for the first time. So how hard is it to repeat a second time? The 2010 Stingrays must have been digging deep at this year's Tri-County conference meet because they more than sealed the deal with their third conference championship in as many years. Another summer of early mornings and hard work were well rewarded as the Stingrays came home with 2775 points and the 1<sup>st</sup> place trophy. Along the way, the Stingrays won six of the ten age groups having nearly missed several others by the narrowest of margins. The 8 and Under Boys, the 9-10 Girls, the 11-12 Girls, the 11-12 Boys, the 13-14 Girls, and the 15-18 Boys all captured age group trophies this year. Additionally, Cross Plains swimmers set seven new conference records highlighted by the exceptional weekend of Jackson Uselman. Not only did Jackson break the conference record in each of his three individual events in Saturday's prelims, but he went on to break all three of his records in Sunday's finals as well as lead the 13-14 boys to a record in the 200 Medley Relay.

**Concessions Update**

Just as it has been a great year in the pool for the Stingrays, it has been a great year for Stingray concessions. This year's record-breaking concessions efforts have raised roughly \$5000 for the team. Many thanks to all the families who brought in items for sale, who worked in concessions at the meets, and who patronized the stand.

Special thanks to the concessions committee who made it happen: Joylin Buchanan, Lisa Cole, and Marn Turley.
