

## Bluefish Blast July 16, 2020 - Swim Meet Please Read

Hello Bluefish families.

As a precaution to keep our swimmers safe, we have decided that the meets for this Saturday July 18th and next Saturday July 25th will be Intra squad meets with no external team attending. This was not an easy decision, but we remain diligent and focused to keep our members safe.

- 8:00 - 8:10 - White Group 1

- 8:30 - 8:40 - Blue Group 2

Things to remember:

- Everyone attending the meet must wear their face masks at all times.
- Swimmers must remove their masks immediately before their races.
- Swimmers must put their masks back on immediately after their races.

Spectators: We are still limiting each swimmer to one parent/guardian spectator. If you did not put your swimmers' spectators' name in the notes portion of the RSVP, please email me by clicking [here](#) and include your swimmers' name and the name of the parent/guardian attending.
