

Bluefish Blast July 19, 2020

Hello Bluefish families,

It was so nice seeing most of you this past Saturday at the 11 & Up Intra Squad meet. I think all of us had a great time. I would like to thank all of you who volunteered your time to make the meet so successful. Big shout out to Mary Elberson, our A-meet coordinator, for putting the whole event together. She did an amazing job. Thank you!!!

Practices:

Reminder that **tomorrow, July 20th is a White practice and not a Blue practice.** This was done to even out practice days between the two groups. Blue practice will continue on Wednesday, July 22nd.

July 25th Meet:

July 25th is our 10 & Under meet. This meet was originally planned to be held at and against Pomona, but has now been changed to an intra squad meet to be held at Deer Brook.

Registration: Registration for this meet has been reopened until Tuesday, July 21st. Remember all swimmers may register for up to three events. Click [here](#) to register.

Volunteers: We are always looking for parents to volunteer to help make these meets as successful as they can be. If you would like to volunteer, click [here](#) to send an email to Mary Elberson and let her know you are interested in helping.

Spectators: We are still limiting each swimmer to one parent/guardian spectator. Please remember to put your swimmer's spectator's name in the notes portion of the RSVP. If one parent/guardian is volunteering, they do not count against your one spectator limit.

Apparel: The apparel store will be open until **10:00am**.

August 1st Meet: Details will be provided in the next Bluefish Blast.

Team T-shirts:

Our team T-shirts are in! If you are in the White Practice Group or on Dive Team, please be sure to pick up your T-shirt at practice tomorrow. Blue Practice Group should have already received their shirts. If not, pick them up at practice this week.

Looking forward to another great week.

Go Bluefish
