

Want to advertise to Cheshire Forest neighborhood families?

The Cheshire Forest Flying Fish summer swim team has partner opportunities which will allow you to advertise to not only families in our own team, but also to families belonging to all teams in our Virginia Beach summer swim league. It is a great way to reach families with kids in the Chesapeake/Virginia Beach area! Options...

1. **For \$50 we will display your logo and link to your website on our swimflyingfish.com website.**

Your company will be visible to all Flying Fish families and friends who log on to the website to check into meets, sign up to volunteer, log on to check swim results. We will even put your logo on the bottom of emails sent out to the team. This gets you visibility with the families and friends of those living in the Cheshire Forest Neighborhood in Chesapeake. All profits will go to upgrade swim team equipment.

2. **For \$100 you get visibility to all teams in our division of the Virginia Beach Swim League.**

You get everything in option 1. **PLUS** your full color logo and company name on our team 8x3ft banner displayed poolside at all our meets **AND** a quarter page sized ad in the heat sheet which we will be selling to all division teams during the end of season Divisionals meet. (Heat sheet ads will be printed in black and white) There will only be room for 7 ads on the poolside banner (design shown below), so it will be first come first served. Money and graphics due by Monday 18th June so we can display the banner at our first home meet on 23rd June.

All profits will go to upgrade swim team equipment.

3. **Divisionals heat sheet advertisements only...**

If you would like to advertise in our heat sheet only - which we will be selling to all division teams during the end of season Divisionals meet - then there are three options...

- Full page: \$85
- Half page: \$50
- Quarter page: \$25

(Heat sheet ads will be printed in black and white) All profits will go to upgrade swim team equipment.
