HISTORY OF THE DRY DIGGINS DOLPHINS

SPRING 1967

With the ever growing popularity of swimming in the Sacramento Valley, and the completion of the new pool at the High School, Placerville was now ready to support a swim team. Mr. Chuck Hinz, Placerville's Recreation Director, selected Gary Kenworthy as his coach. A schedule was prepared and we were on our way.

We were in need of a name for our team and called upon our young swimmers to help us out. About 50 names were suggested and Mr. Hinz and Mr. Kenworthy decided that Miss Kathy Fitzgerald had submitted the most original name. Thus the name "Dry Diggins Dolphins"..... Mrs. Mary Ann Redmond used her talents to construct and paint our beautiful "Dolphins Banner".

SUMMER 1967

We were placed in a league with Rio Linda, Roseville, and Elk Grove. We swam against others twice and ended the season with the league meet at Rio Linda in North Sacramento. We lost our first two and ended the season winning our last 4 meets and coming in the league in second in the league championship.

SUMMER 1968

This summer found the Dolphins in a new league with Winters, Folsom, Carmichael, Elk Grove and Roseville. The competition was real tough and the meets were all real close. One meet was WON by only 10 points and another by just 22. When it was all over, the hard-working Dolphins were undefeated in dual meet competion and winners of the league meet competion and winners of the league meet by 100 points.

SUMMER 1969

This summer was probably the greatest in our young history. We were placed against Roseville, Winters and Cordova with a home and home arrangement. We continued to be undefeated and ran our winning streak to 19. Records fall like rain every week. We ended the season with 7 wins and 0 losses, and scored more than 200 points over our next opponent in the league meet. Miss Kathy Smith assisted Coach Kenworthy. We had about 150 swimmers.

SUMMER 1970

We were able to run our dual meet victories to 21 straight before being beaten by Arden Park of Sacramento. We continued to lower our times on our big record board. We see ourselves in the big league now with wins coming much harder. Because of our past record, we were placed in a league with Arden Park, Auburn, Cordova, Fulton-El Camino and North Highlands. Miss Kathy O'Meara began her coaching career this year with the Dolphins. Coach Kenworthy was well pleased with our 3 wins and 3 loss record.

1970 DUAL MEET RESULTS

SUMMER 1971

This summer finds the Dolphins really coming of age. We are once again in the Valley Division of the Sacramento Swimming League. We have two practice meets with Winters and Grass Valley and then swim in league competition against Citrus Heights, Arden Park, Auburn, Fulton-El Camino, Roseville and Cordova. Many records were once again lowered as we only lost one dual meet to Arden Park. Placerville is now respected wherever we go. Our record of 7 wins and 1 loss proves this.

Many trophies and medals have been added this year. The Tire Exchange gives medals for record performances; the local Elks provide with the "Outstanding Dolphin" award; and the accounting office of Tammi and Sanders award trophies to the best Dolphin sportsman voted by the team. Kathy O'Meara once again assisted Mr. Kenworthy. The Dolphins 5-year record is now 30 wins and 6 losses. Shawn Netherda and Matt Huston received the Outstanding Dolphin award and Bob Wright and Melissa O'Meara were awarded the sportsmanship trophies.

SUMMER 1972

The proud Dolphins start their 6th year of swimming competition and are again in the Valley Division of the Sacramento League. The league consists of the teams mentioned. Some meets are landslides for the Dolphins, but others are so close that the outcome is not decided until the final races. On July 29, we beat Arden Park for the first time. We finished the season with a hard fought dual meet co-championship with Auburn and Arden Park. Kathy O'Meara completed her third year as assistant coach.

We also see the establishment of a fine parent's group that help run off many fine meets at home.

SUMMER 1973

This summer the Dolphins open their competition by swimming in the first annual Folsom relays. Many blue ribbons were brought back to Placerville. Many new ideas accompany the season. We change the team suit, the kids sell candy bars for their new "Dolphin" sweat warm ups, little white "stars" are give for each year on the Dolphins, the swimmers pace themselves in practice with our newly purchases "lap-clock" and each week we wait for our new racing lanes.

Our 150 Dolphins swim once again in the Valley Division of the Sacramento Swimming League. Kathy O'Meara completes her 4th year as a coach and once again Coach Kenworthy is very pleased with our 5 wins and 1 loss season. After 7 years of swimming, the Dolphins bring their record to 41 wins and 8 losses.

SUMMER 1974

The season begins with another candy sale to raise money for new snow-cone machine. We are once again in the Sacramento Valley Swimming League with Roseville, Cordova, Auburn, Sunrise, Fulton El Camino and Arden Park. Our parents group sponsor building a new set of bleachers that are covered. They also built a new snack stand which sets all kinds of record sales. We also change our team suit to a blue and white stripe.

We have one practice meet with the American River Patriots and win a close one. The teams in the league are all close, but the mighty Dolphins manage to win every dual meet and end up with 7 wins and 0 losses.!

The team numbers about 150, and is coached by Gary Kenworthy. Our team now has a record of 48 wins against 8 losses in our eight years of competitive swimming.

SUMMER 1975

Summer 1975 finds the Dolphins in the same league as last year, and we enjoy seeing our old friends each week. We schedule two practice meets with one team backing out and forfeiting to us the day of the meet. The other team, El Dorado Hills, we play up as the "County Championship Meet"....Results below!

Coach Kenworthy's project this year is to replace the old plywood record board, and Mr. Joe Stancil comes to his aid by purchasing a beautiful, new, 4 x 6 black felt with white plastic letters, record board. In addition to the new board, Mr. Al Briggs builds a glass enclosed cabinet, completely weather tight. The coach and all of the Dolphins are very grateful to these two gentlemen. Once again, we than Mr. Don Netherda for giving medals to each record breaker, and Mr. Jack Winkler for engraving them.

We finish the season with 7 wins an a protested loss to Cordova. Our 9 year win-loss record is now 45 wins 9 losses. For the second year now, Glen Corson helped coach and Karie Kenworthy began coaching at the noon session.

At the year-end picnic, the Dolphins honor Steve Christoff (9 yrs) and Lisa Winkler (8 yrs) for their loyal years with the team.

SUMMER 1976

We remain in the Sacramento Valley Recreation Swimming and Diving League. We help South Tahoe get started by showing them how to run a swimming meet. For the 10th year in a row we have the best swimming team in the county.

New things this year include a raise in team membership fees, and a project to raise enough money for new watches and starting blocks. With donations from Mr. and Mrs. Don Netherda, Mrs. Betty Bach, Dr. and Mrs. Roy Rosen, Dr. and Mrs. Bill McDavid, Mr. and Mrs. Carroll Rogers, and Mr. and Mrs. Joe Stancil and our concession stand, we have enough money necessary to get the job done. More deck space will also be added next year due to efforts from the Rotary Club of Placerville and the School District.

Don Netherda of the Tire Exchange continues to give the new record holders medals and Al Moore and Karie Kenworthy work as assistant coaches. Coach Gary Kenworthy finishes his 10th year with the Dolphins. We finish the season with 6 wins and 1 loss, bringing our ten year record to 60 wins and 10 losses. We finish second in the League Meet losing to Sunrise by 8 1/2 points.

Loyal participation awards are given to Kevin Kenworthy (10 yrs), Curtis Lomax (10 yrs), Dean McDavid (9 yrs), Erin Wilson (8 yrs), and Marcie Huston (7 yrs).

SUMMER 1977

We continue to swim in the Sacramento Valley Recreation League with our swimmers meeting tough competition in every meet. Records don't fall like rain any more and when they do it is a great accomplishment. Don Netherda, of the Tire Exchange, continues to award the record breakers with medals. Don Slinkard, representing Sears Stores, provides us with a new starting gun. And many thanks to Dr. Bill McDavid, Mr. Cecil Ringgenberg and Mr. Don Pearson for helping the coach install the new starting blocks.

The team participates in a "Swim-a-thon" to start the season and raises enough money to finish paying for our new starting blocks and digital stop-watches. Many thanks to the community for their support in the project. Our concession stand continues to be a big money maker for us and the pool deck "inlarging project" runs into legal problems and is delayed for another year. We are assured of having a larger area next year.

Glen Corson and Karie Kenworthy work as assistant coaches under head coach Gary Kenworthy. We finish the dual meet season with 6 wins and 1 loss and place 3rd in the League Championship Meet. Our 11 year overall record is now 66 wins and 11 losses and five League Championships.

The accounting firm of Tammi and Sanders continues to sponsor our sportsmanship trophies and the Dolphin Organization takes care of the Outstanding swimmer award.

Loyal Participation Awards are give to Mark Christoff (11 yrs), Shawn Netherda (9 yrs), and Lori Bach (7 yrs).

SUMMER 1978

Placerville begins it's 12th season with the same teams they have been swimming against for the past 5 years. The team totals 145 super loyal swimmers and dozens of hard working parents. A special practice in April for 6-unders really pays off by the end of the season. Every swimmer practices on hour-a-day with 6-under and 7-8 year olds together as do 9-10 and 11-12 with 13-14 and 15-17 finishing up the last hour.

Glen Corson and Shawn Netherda work as assistant coaches to Gary Kenworthy. We put together our first undefeated season since 1974 and finish with seven more wins. Now, after 12 years, the Dolphin overall record is 73 wins and 11 losses and 6 League Championships.

Records are hard to come by and when they do each swimmer was given a medal by Don and Pat Netherda of the "Tire Exchange". Our snow-cone machine and concession stand help purchase team pictures for each member. Once again the accounting firm of "Tammi and Sanders" sponsor our Sportsmanship Trophy. And for the first time "Security Pacific Bank of Placerville will sponsor our Outstanding Swimmer Award.

To highlight our annual team picnic "Loyal Participation Awards" were given to Brian Christoff (12 yrs), Kathy Kenworthy (12 yrs), and Matt Huston (10 yrs). Brian and Kathy are the last of the "Original" Dolphin Team.

SUMMER 1979

Placerville begins it's 13th season with the same teams and it is not a bad luck year. The Dolphins go Undefeated for the second year in a row. They have high hopes for the League Finals.

Glen Corson and Shawn Netherda help assist Coach Gary Kenworthy with his 13th year as head coach. The Dolphins record is now 80 wins and 11 losses and 7 League Championships.

Don and Pat Netherda continue to donate medals to record breakers. Don and Pat own the "Tire Exchange" here in Placerville. The Accounting Firm of "Tammi and Sanders" sponsor our Sportmanship Trophy and "Security Pacific Bank" of Placerville sponsor our Outstanding Swimmer Award. Mrs. Gwinnup makes our ceramic "Dolphins" for the outstanding swimmer in each age group.

Loyal Participation Awards are given to Mark Netherda (11 yrs), Beth Corson (6 yrs), and Stephanie Ringgenberg (5 yrs).

SUMMER 1980

The Dolphins begin their 14th summer of swimming by coming off a great League Meet Championship in 1979.

We are able to run our win streak to 25 before losing our last dual meet to Fulton-El Camino. Our season record is 5 wins and 1 loss and second in a very tough league. The Dolphins record is now 85 wins and 12 losses. There are about 160 swimmers on this years team.

Shawn Netherda assists Coach Kenworthy for the third year and Jackie Tammi begins her coaching career.

Don and Pat Netherda continue to donate medals and "Tammi and Sanders" sponsor our Trophies along with "Security Pacific Bank". Mrs. Gwinnup continues to donate and create our age-group ceramic "Dolphins". The Gray family (Laura, Norma, and Allen) prepare a "New" record board and replace our old one. A big thanks to Laura, who hand painted all those names. Another special thanks to our "Team Mothers" who do such a great job. And the team stays in the black again as Carol Kenworthy maintains the snack stand.

Loyal Participation Awards are once again given at the picnic to Bill Young, (12 yrs) and Terry Edwards, (7 yrs).

SUMMER 1981

Summer 1981 was the year of the absentee. For the first time and we all hope it is the last, the team averages between 25 and 35 swimmers doing something other than swimming on any given Saturday morning. Consequently, we come up with our poorest season (win-loss wise) in the 15 year history of the mighty "Dolphins". We turn last years record around and end with a one win and five loss summer. We still lower lots of times and set plenty of records. Our record now stands at 86 wins and 17 losses.

The team welcomes our new Recreation Supervisor, Mr. Ray Hoving. Ray does an outstanding job and looks forward to the years ahead. Stephanie Ringgenberg and Rene Gonzalez help coach with Mr. Kenworthy.

Once again Don and Pat Netherda from the "Tire Exchange: provide record breakers with medals, the accounting firm of "Tammi and Sanders" sponsor our Sportsmanship Trophy and Mrs. Margaret Gwinnup donates her time and energies to create our "age-group" ceramic dolphins. Another special thanks to the Team Mothers for helping the coach and the snack bar is never better with Carol Kenworthy.

Loyal Participation Awards are given to 9 year veterans Debbie Gwinnup and Tracy Edwards with a 6 year plaque given to Vince Harrell. This years picnic also welcomes all members of the first Dolphin team.

Placerville	694	-	697	Auburn
Placerville	695	-	728	Roseville

SUMMER 1982

Summer 1982 saw our league become stronger than ever before. However, the Dolphins needed more swimmers to be in contention and ended the season with 2 wins and 4 losses. We still lowered 14 records and tied one. We also set four new league records. Our win-loss record after 16 years is now 88 wins and 21 defeats.

Our season begins with a Team Swim-a-thon fund raiser in which many swimmers were able to pay for their registration and team swim suits.

Ray Hoving, in his second year, does an outstanding job as Meet Director. Coach Kenworthy is helped by Shawn Netherda who completes her fourth year of coaching with the Dolphins.

Don and Pat Netherda from "The Tire Exchange" gave medals to all the record breakers. "Tammi and Sanders" sponsor our Sportsmanship trophies and Mrs. Margaret Gwinnup gives the outstanding age-group Dolphin Awards. Mr. Danny Hughes does us a big favor and repairs the wheels on our lane-line reel and Mrs. Linda Bier continues to keep track of all the new records. Special thanks to Carol Kenworthy for heading up and buying all the food for the snack stand.

A Loyal Participation Award was presented to Beth Bach for her 11 years with the team.

SUMMER 1983

Summer 1983 sees Roseville as a dominate force in our always tough league. Auburn and Cordova also make a big improvement. The Dolphins win three times and lose four, running their overall record in 17 years to 91 wins and 25 loses.

Assisting Coach Kenworthy was Dennis Eversole for the first time. Kathy Kenworthy also assisted and did all kinds of different jobs to help out with the team. City representitive Ray Hoving in his third year, organized and controlled many new projects.

To help defray cost, the team held a "Swim-a-Thon" in June, sold sun visors, and also sold tickets for a League sponsored raffle to help pay for a new timing devise. The Dolphins provided team patches, drawn by Mr. Bob Gardner. Bob and Cathye Clayton printed a meet program for the first time. Once again, Carol Kenworthy and crew made lots of money for the team with a "league best" snack bar.

Not many recored fell, but when they did, Don and Pat Netherda of the "Tire Exchange" presented medal to the new record holders. Mrs. Linda Bier kept the coach informed on all new records. Jack Tammi, C.P.A. still sponsors our Sportsmanship Tophy. Again Mrs. Margaret Gwinnup worked overtime preparing our ceramic age group "Dolphin Awards".

Loyal participation awards were presented to Brett Huston for his 14 years as a Dolphin swimmer, and Lynn Sampson for her 7 years.

SUMMER 1984

Placerville finished its 18th summer with 4 wins and 3 losses with one of the wins coming in a non-league meet against Amador. We have one of the largest turn-outs in recent years which makes for plenty of competition in each age group. We remain in the same Sacramento Valley-Foothill Swim League.

We were very proud of the meet programs produced by Cathye and Bob Clayton at a profit of $500 with sales and advertisements. Many thanks to Bob Clayton for producing the "Swimmer of the Week" certificates at the Awards Picnic. Thanks again to Carol Kenworthy as the concession stand makes over $300 profit.

We also want to thank Margaret Gwinnup for providing our age group "Dolphin Awards." Once again Nancy Ramos does a great job maintaining an up-to-date record board. Some fine records were broken and thanks to Linda Bier each swimmer is given an engraved medal paid for by the Tire Exchange. Hats off to our Fun Raising coordinator Marsha Finley and the Team Mothers for a fine effort this year with our Tumbler Sales. Over $1000 in prizes were handed out to our swimmers.

Many thanks again to Mr. Ray Hoving from the Placerville Recreation Office for all the efforts in administering a successful season. Special thanks to Kellie Clanton, Kathy Kenworthy, and Marianne Bailey for assisting Coach Kenworthy. The Dolphins overall win-loss record now stands at 95 and 25.

Loyal Participation Awards were presented to Kyle Kenworthy for a record 15 years and Greg Harrell and Samantha Strayer for 9 years participation. Troy Gier finished also with 7 "loyal" years of competing.

SUMMER 1985

This summer will go down as one of those "if-a, could-a, would-a, and should-a season! If-a we just could-a stayed healthy the whole summer, we would-a and should-a gone undefeated. But, we didn't and ended up with a respectable 4 and 2 record. Regrettably Coach Kenworthy did not get his 100th win, but, there's always next summer.

We competed against our same old friends from Sacramento and the foothills. Shawn Netherda Lord came back to help out for one more year as assistant coach. Marianne Bailey and Kathy Kenworthy help out as coaches when needed too. Janell Canclini and Paul McHenry also helped with the 6 and Unders. Records continued to be broken and we hope lots more will be broken at the League Meet.

Our Snack Bar, run by Carol Kenworthy, is a big success and thanks to Sandy Hunt we had programs for all the home meets. We raised over $1000.00 with a rummage sale which was directed by Barbara Brittain. Mrs. Brittain also ran the team raffle. Once again Nancy Ramos up-dated the record board and Linda Bier kept the medals coming. Jack Tammi continued to sponsor our sportsmanship trophy at the annual awards picnic. Artist Bob Gardner drew us another Dolphin for our year-end program cover. Ray Hoving, Placerville's aquatics supervisor, does a super job with the set-up at the meets.

We have about 150 team members and give Loyal Participation awards to Stacey Huston for her 14 years and Steve Sampson for his 7 years.

The team record now stands at 99 wins and 27 losses after 19 years of competition.

SUMMER 1986

Summer 1986 was a year of change. A parents club was organized for the first time, two new coaches were added and a new league representative was appointed. Parents and children saw the departure of Swimmer Larry Gray, League Representative Ray Hoving and Head Coach "Mr. Dolphin" Gary Kenworthy.

Parent involvement was stimulated by the efforts of an energetic parent club. President Donna Hughes, Vice President Bob Gardner, Secretary Jeanne Butcher and Treasurer Gene Ramos all contributed to the betterment of an outstanding swim team.

Head Coach Gary Kenworthy "Mr. Dolphin" was aided by the strong support from assistant coaches Jean Tucker and Del Eversol. Both Jean and Del helped to insure that both practices and meets were conducted in a first class manner.

Under the direction of a strong coaching staff, the Dolphins enjoyed an extremely competitive season. Sparked by the leadership of Larry Gray, the Dolphin Swim Team combined to brake nine team records. The Dolphins finished third in the league behind Sunrise and Cordova who accounted for the Dolphins only two losses.

Team parents also contributed with a strong effort at the Snack Bar. Thanks to the efforts of Shirley Mikich and her volunteer staff, record revenues were reported for 1986.

The 1986 season saw the regretted departure of Ray Hoving and the replacement of Steve Youel as League Representative. Although Ray's presence was drastically missed Steve continued to make sure meets ran smoothly. Another regretted departure is that of Larry Gray who has swam on the Dolphins for the past eleven years.

The most regretted departure of 1986 is that of Gary Kenworthy, Head Coach of the Dry Diggins Dolphins for the past 20 years. Gary has touched the lives of many and will be missed by everyone involved with the Dolphins Swim Team.

SUMMER 1987

The Dolphins were "big league" in 1987. Through the active efforts an all new coaching staff and the 1987 Parents Club, the Dry Diggens Dolphins swan better than ever. Each meet provided more excitement than the last as the Dolphins met a new challenge each week. Many people thought it would be a year of transition that would take its toll on the league standings but in reality the Dolphins were better than ever.

The 1987 coaching staff comprised of Head Coach Del Eversole and Assistants Dan Helm, Janell Canclini and Larry Gray combined their efforts to mold an extremely competitive team. The Dolphins finished third in the league behind Roseville and Sunrise who accounted for the Dolphins only two losses of the season. In addition to doing well in the league meets the Dolphins were successful in dual meets against Loomis, Folsom and Cordova.

Although there were some outstanding individual performances the majority of the Dolphins success was attributed to a team effort that was enjoyed by all. Some of the more successful swimmers who will not be back next year are: Karen Gwinnup, Gretchen Weiner, Melissa Woodward and Ty Niclel, their contribution to the Dolphins will be admired for many years to come.

A repeat performance by the 1986 parents club officers: President Donna Hughes, Vice President Bob Gardner, Secretary Jeanne Butcher and Treasurer Gene Ramos provided the stability needed to make the 1987 Parents Club a positive force in the betterment of an outstanding swim team. Great strides were taken to improve pool facilities and provide quality coaching for the participants. The goals of the Parents Club were met with high standard.
