

Meet Recap

Congratulations Dolphins for beating the Cordova Blue Marlins 1,765 to 1,144. A lot of swimmers got best times and the 9-10 boy's 100 freestyle relay set a new Dolphin record. I am hoping to get official results tonight and I will post the results to the website as soon as I get them.

Coach's Corner

By Alan Rosenfeld

I am excited that DQ's were very low at the meet this weekend. We had very few DQ's that involved basic errors such as two hand touches in butterfly and breaststroke and staying on your back in backstroke.

It is very important that you don't miss relays. When a swimmer doesn't show up for a relay the entire team needs to scratch or a swimmer needs to swim twice and the relay DQ's. If you do need to leave early and have to miss a relay please let me know so I can make sure that I have someone who can fill the spot.

We still have a number of swimmers undeclared for the meet on Saturday. If you want to be able to attend the meet and swim in relays you need to either commit to the meet online or let Coach Jackie or me know via email by this evening June 22. If you miss the deadline, but can swim in the meet, please let us know. However, you might not be able to swim a full meet program.

Birthdays of Note

The Dry Diggins Dolphins would like to wish a very happy birthday to the following swimmers and coaches this week:

Clara Walker

Marcus Holifield-Helm

Oskar Shepard

Board Bulletin

File folders will now be on the deck at Union Mine. Please check your family file for important information, team cap orders if you haven't picked them up yet, or ribbons after meets. This is also a great place to leave messages for your Dolphin Buddy. However, please remember no food in the swimmer files.

Last call for Kenworthy Scholarship applications for high school students, grades 9-12. Applications can be found online and must be turned in to the Klas family folder by Friday June 27.

Swim-A-Thon will occur during practice on June 26th. Prizes for all that participate will be given after practice.

Sunsplash tickets will no longer be sold on deck this week. If you want to buy tickets for Sunsplash on June 29 please contact Kelli at kvhsmile@yahoo.com

Quotes of the Week

"Remember to dive shallowly." Coach Alan referring to the shallow pool at Cordova
