## Meet Recap

Congratulations on winning another meet. This was a much closer meet with the final score being 1,539.5 to 1329.5. That 210 point victory was a testament to everyone swimming well and showcasing great depth across the board. We had 127 swimmers get at least one best time and only 35 DQ's for the entire meet. Congratulations again and I appreciate you all for showing up and swimming well.

## Coaches Corner

By Alan Rosenfeld

Thank you all for helping run another highly successful and efficient meet. All the athletes did a great job getting to the ready bench on time and we were able to run the meet smoothly. We didn't have any younger kids miss any races and everyone is doing a great job at making sure they are ready to swim when they are called. We will be continuing to use the ready bench against Auburn this upcoming weekend. As a reminder, please sign up for the Auburn meet by Monday night, I was able to talk to a couple of people on Saturday but we still have 50 swimmers that haven't declared one way or the other as of this afternoon.

## Parent Lap Lane

The parent lap lane is now available to swim in the morning. Attached to the digest email is a standard waiver that you fill out and place it along with \$40 inside the parent lap swim folder. This waiver also is good for the parent vs coach relays in July. If you are interested in training or just want to cool off you will have two lanes (dependent on number of swimmers at practice) to swim in from 10:30am-1:00pm.

## Birthdays of Note

The Dry Diggins Dolphins would like to wish a very happy birthday to the following swimmers and coaches this week:

Jacob White

Ethan Willis

Abigail Beasley

Emma Frazer

Calie Pacheco

Emma Triplett

Mateo Van Thull

Ella Rose Zanardi

Shannon Heibel

## Quotes of the Week

"Kick boards are vampires of souls"

"You left your goggles open"

"See you later boys"-When a six and under did a water bob

"I can blow air out of my eyes"

## Board Bulletin

Please remember to check your swimmer files for ribbons and other important team communication each day so you can stay in the loop. Ribbons are given to all swimmers who swim at the meet without getting a DQ.

If you ever have a question about a DQ from a meet please come and talk to a coach so we can work on correcting it before the meet next week.

Swim-A-Thon is getting closer. Make sure you are working on getting donations and have marked your calendar for June 23<sup>rd</sup> for this fun event.
