

Meet Recap

The computer system for Auburn went down mid meet so I will not have any results until Monday evening at the earliest. Once I have received them, I will post them on the website so everyone can take a look.

Coaches Corner

By Alan Rosenfeld

Happy Father's day and thank you all for another successful meet this season. I was happy with how everyone swam on Saturday and I really like all the sportsmanship shown across all the age groups. This coming week we have our swim-a-thon as well as another home meet on Saturday so if you haven't signed up for these events please do so on the website.

Swim-A-Thon

The Swim-A-Thon will be held on June 23rd from 4-8pm. This fun event will involve swimming laps from 4-6 and the swimmers who get the most in each age group and gender will get to be coach for a day. From 6-7 we will have some competitions like biggest splash, and other types of contests, before heading into the main event the boat regatta from 7-8pm.

Quotes of the Week

"Wow you guys are good at math.." -after a couple swimmers were able to understand the 45 second interval.

After a coach explained the entire set "I can't fit that all in my head..."

Practice Schedule Update

We will not have morning practice on Thursday June 23rd due to the Swim-a-Thon that evening from 4-8pm.

Board Bulletin

We will have Santoro Coffee and Rich's Ice Cream at the meet this weekend.

Thank you to all the volunteers that have allowed the meets to go so smoothly this season. Every time we go to an away meet I am always thankful of how excellent our volunteers are so we are able to run the meets without any issues.

Please remember to sign up for the meet this weekend and the swim-a-thon on the website if you haven't already.

Swimmer of the Week

6 and under
