Practice schedules are preliminary and subject to change at the Management Committee's or coaches' discretion. It is expected that a swimmer will practice in their proper age group; however, exceptions can be made with approval of the Management Committee and coaches.

Spring Practice starts Monday, April 5th, and runs through Thursday, May 27th. Swimmers will not be allowed to move between groups (M/W/F or T/Th/Sa) unless the Management Committee and coaches modify the above schedule based on revised guidance from the County and the CDC. Note that 8 & unders will have lane coaches in the water helping swimmers. Any coach in close proximity to swimmers will be required to wear a face shield.

There is no additional fee as we've done in the past with Spring Clinic.

Ages are determined by the swimmer's age as of June 15th.
