

# WMSC Party Rules

At WMSC, the safety of our members and their guests is our top priority. Because many of your guests may be unfamiliar to our club a WMSC staff member will be provided to give a brief "Safety Overview" of the facility rules with your group prior to the start of your party. Your assistance in helping with the enforcement of these rules during the party would be greatly appreciated.

## Non-Swimmer Rules:

All non-swimmers are restricted to the shallow end of the pool only. They may not use the big slide, the diving boards or travel beyond the (3foot depth) of the shallow end of the pool. Non-swimmers who cannot stand up in the shallow must receive direct supervision by an adult at all times.

*\*Any child who is not fully potty trained must be outfitted with a specific "Swimming-type" diaper.*

*Non potty trained children with cloth or regular diapers are NOT permitted in either pools.*

**Baby Pool Rules: (For Private Parties Only)** The Baby Pool is for non-swimmers ages (5) and under. Each non-swimmer under the age of five using the baby pool must be accompanied and strictly supervised by an adult at all times. *\*(The same diaper policy as stated above applies.)* No other swimmers over the age of 5 are allowed in the baby Pool.

## Big Slide Rules

All users must be capable swimmers who are at least 6 years old and/or a height of 44 inches tall. (Lifeguards can measure your child's height if needed)

Only one person is allowed in the tower platform or riding in the flume at a time.

Riding along with small children or other individuals is not permitted.

All users must slide "Feet First". (Lying flat and crossing your feet and arms is recommended)

Users are to start their slide only when the splash area has been cleared. The entry depth is 5 feet deep.

No "Head First" entry, Standing, Kneeling, Tumbling, Spinning or Stopping while riding in the flume.

All users must exit the splash area promptly after sliding. No other individuals are allowed to enter the splash area.

Flotation devices and medal or plastic zippers on clothing are not permitted.

The maximum individual weight is 280 lbs.

Not recommended for pregnant women or individuals with back/neck problems.

*\*Failure to follow "Big Slide" rules could result in injury and/or your restriction from slide usage.*

## Diving Board Rules:

All users must be capable of swimming in deep water. (The Diving Well depth is 14 feet)

High Dive users must be at least 9 years old and/or 51 inches tall.

Only one person is allowed on the diving board at a time.

Divers are allowed only one bounce, should jump straight off as soon as the dive area is clear, swim to the designated ladder, and then exit promptly.

No backwards diving, sitting on the board, doing handstands or other stunts off the boards is allowed.

No other swimming or diving is allowed in the dive area unless the diving boards are closed for diving.

Non swimmers may use the low diving board if supervised by an adult and are wearing a flotation device.

## Other WMSC Facility Rules:

No Alcoholic beverages, tobacco, seafood or seeded/shelled products are permitted at WMSC.

No diving from the sides of the pool in depths of less than six feet.

No running, pushing, rough play and speaking inappropriate language is allowed.

No glassware items are allowed in the facility.

Please eat all food items under the covered pavilions or in the picnic table areas.

No food or drink is allowed in the restrooms.

Beach volleyball participants are asked to rinse off all sand at the outside shower before re-entering the pool.

Party givers are responsible for the actions and behavior of all of their guests. They assume responsibility of the replacement costs of any damaged or broken items
