

2018 Old Dominion Swim League All-Stars Meet Information

The Belmont Sharks look forward to hosting the **2018 ODSL All Stars Meet on July 28, 2018** featuring 624 swimmers from across Loudoun. The meet is scheduled to **start at 8:00 AM** with the first warm-ups beginning at **6:15 AM**, and shuttle service commencing at **6:00 AM**. The warm-up schedule and lane assignments are included later in this document.

Directions: Our competition pool is located at **20071 Medalist Drive, Ashburn VA**. **All visitors MUST enter through the main gate located off of Russell Branch Pkwy**; do NOT attempt to enter via the two gates on Gloucester Pkwy. Once through the front gate, go around the traffic circle and proceed on Tournament Parkway, take the second left on Medalist Drive, the competition pool is about a ½ mile down on the right.

Belmont is a controlled access gated community. If the far RIGHT traffic bar is raised, you may proceed thru this lane without stopping. If the bars are lowered, you must stay to the LEFT and check in with the guards. Just let them know you are there for the Swim Meet.

Swimmer and Equipment Drop-off: There is a drop off zone in front of the competition pool for swimmers and equipment (chairs, tents, etc.). Please be prepared to execute an efficient drop off and clear your vehicle from the zone as quickly as possible. Volunteers will be present to direct swimmers and assist with unloading if necessary. In efforts to minimize traffic on Medalist Drive we strongly encourage carpooling for drop offs.

Parking: Primary parking for the event will be at the Belmont Country Club Manor House located at **19661 Manor Lane, Ashburn, VA**. The pool at the Manor House is NOT the competition pool. There will be a shuttle running continuously from the Manor House to the competition pool. The parking lot is approximately ¾ mile from the competition pool. We do not recommend attempting to walk, as there is no sidewalk that links the club to the community. Under no circumstances should pedestrians attempt to use the golf course and/or cart paths.

There will be limited street parking available on Medalist Drive between Tournament Parkway and Muirfield Village Court. Obey all parking signs and park legally on Medalist Drive. Do NOT park on any of the surrounding residential streets. Violators will be towed. There are eight handicap parking spaces available in the pool lot. A detailed map of the pool facility is attached including information on parking.

Visiting Team Areas: All teams will be stationed in the upper portion of the parking lot closest to the pool entrance. See the attached map for team locations. Teams are welcome to set-up chairs and tents in their area.

Teams will not be given medals until their area is completely clean. Volunteers will be on site to inspect the areas and provide a claim slip for award pickup. Trash receptacles will be located throughout the team area.

The Pool Deck: The pool deck in the immediate vicinity of the race lanes is designated as a move-in / move-out spectator zone. Please be respectful and allow viewers to move forward if their swimmer is in the current heat. The remainder of the pool deck is open to spectators for standing only. **Spectators will NOT be allowed to bring chairs or tents on the pool deck**. Volunteers will be positioned at the entrance and will turn away anyone attempting to enter with chairs and tents.

Clerk of Course: The clerk of course will be setup just inside the entrance to the competition pool deck. We will be seating a larger than normal number of events and heats. The on deck clerk will make every effort to communicate desired on deck information to the parking lot Team Areas. Ultimately, it is the responsibility of each team's clerks, parents, and swimmers to get to the appropriate spot on time.

Award Presentations: The medal podiums will be located on the pool deck near the club house. Award ceremonies for the freestyle and backstroke events will begin during the second half (13-14 events) of the backstroke. Presentation of medals for the breaststroke, butterfly, and individual medley events will begin during the second half (13-14 events) of the butterfly.

ODSL Scholarship Award: The presentation of the ODSL scholarship will occur pool side at the conclusion of the backstroke events.

Restricted Areas:

- Stay outside of all areas that are roped off and keep clear of all athletes and officials in the race area.
- The warm-up pool is for laps only, swimmers should not linger or play in this pool. No diving please.
- The zero-entry, “mushroom” pool is closed.
- The diving area is closed.
- The baby pool is closed. This area will be used for ribbon writers.
- The fitness center is for resident/members only.
- The upper level of the pool club house, accessible from the drop off zone, is closed to non-residents.
- Please keep all attendees off of the tennis courts.
- The golf course and all golf cart paths are closed to non-members.

Concessions: We run a CASH only full concessions service with food (Anita’s breakfast burritos, Chik-Fil-A, pizza, donuts, etc.), drink (Gatorade, water, soda), snacks (candy and other treats), and made to order Snow Cones. Families are welcome to bring their own provisions. Glass containers of any kind are prohibited.

T-Shirt Sales: ODSL has contracted with a vendor to provide custom apparel for purchase. The stand will be setup in the parking lot proximate to the concessions and the vendor accepts cash and credit payments.

Warm-up Schedule:

The main pool will be used for warm-ups before the meet (1st half) only. During 1st half warm-ups, coaches may choose to use their assigned warm-up pool lanes for overflow. Warm-up times and lanes were assigned based on travel distance, order of response to the survey, and number of athletes.

Due to the number of participants, warm-up lanes and times are limited. Please be on deck and ready to enter the pool at your assigned time and exit promptly when your session is complete. Each team will have 15 minutes.

Following is the schedule, pool, and lane assignments for 1st half warm-ups.

Start Time	Main Competition Pool						Warm-up Pool		
	Lane 1	Lane 2	Lane 3	Lane 4	Lane 5	Lane 6	Lane 1	Lane 2	Lane 3
