

2018 STRAEHLE CHAMPIONSHIPS – PRE-MEET INFO

PINK OUTLINE DISPLAYS EXTENT OF CONTOUR

MEET INFO:

- ❑ **Meet Website** (Carroll Aquatics Swim Club)
<https://www.teamunify.com/TabGeneric.jsp?tabid=216290&team=reczmcascmd>
- ❑ **Meet psych sheet** will be posted. Please check for any administrative errors; please email if you see any errors. *The heat sheet goes to the printer Monday evening to be printed on Tuesday.*
- ❑ **Meet timeline** will be posted on the website – remember that these times are approximate. Actual times will vary – guaranteed.
- ❑ **Meet Warm-up lane assignments** will be posted on the website Monday before the meet. Note that there is an open warm-up from 7:15-7:45am. Coaches: please work together to balance lanes between all of you. So for example, perhaps two adjacent lanes/teams could combine and swim younger swimmers in one lane, older swimmers in another. Also, morning warm-ups are intended for swimmers swimming individual events.
 - ✓ We will have a 10-15 minute warm-up after the last individual event and before the relays. This should be for relay-only swimmers.
- ❑ **Team Worker Assignments** will be posted on the website Monday before the meet. Please have your workers sign-in on the large poster board located on the fence between lane 1 and the clerk of course.
- ❑ **Clerk of Course**
 - ✓ The gate between the pool deck and clerk of course is NOT an entrance for swimmers or parents. It is for coaches and workers. If a Clerk of Course worker has given a swimmer permission to leave clerk of course and return that way, that is the only time they can enter. This should keep things moving better and allows the kids to hear the clerk of course... and get out on deck when it is time.
 - ✓ Relays. Teams should realize/understand the number of relay swimmers moving through the clerk of course – 32 per heat, approximately 400 for all the relays. Please only send swimmers in the next event on the basketball court/clerk area. Remaining swimmers should be queued outside of the basketball court fence.
- ❑ **Pool deck** – limited to coaches, officials, and timers. Swimmers: please clear the deck after your swim and you talk to your coach. Parents, please stay outside the roped area on deck.
- ❑ **Restrooms** – the facility is on well & septic and therefore has limited capacity; not enough to handle the demands of 3000 people. So the following is available:
 - ✓ Locker Rooms – for swimmers only
 - ✓ Gymnastics Area – coaches, timers, officials only
 - ✓ Port-o-Pots – parents, families, and spectators
- ❑ **Parking** adjacent to the basketball courts are for officials only.
- ❑ **Vendors** – there will be a variety of vendors on-site.

We are very thankful for the great cooperation and sportsmanship that all swimmers, coaches, and parents have shown in previous years and look forward to the same again this year. We anticipate a very pleasant, fun, and fast (swimming) Straehle Championship meet.
