

# Cyclone-a-thon 2015

June 15th, 2015

How exciting that summer is here and it's Cyclone-a-thon time again! This event helps to cover the many financial commitments that the team must pay in order to function at the level that it does. The registration that families pay at the beginning of the season only covers a fraction of the team's costs. The team must pay for lifeguards, equipment, entry fees for swim meets, registering and training coaches and officials, and basic supplies. The board chooses to keep swimmer registrations low so that more families can participate on this great team.

There are 2 options for the fundraiser:

1. Cyclone Swimmers can seek out sponsors by contacting people they know (such as family, neighbors, and friends) and ask for their support of the team. The swimmers' contacts are asked to become a Cyclone-a-thon sponsor, and then on Tuesday, June 30th, swimmers swim to honor those who have agreed to support this effort. It's suggested that you consider family, friends, neighbors, church friends, clients, co-workers, and former classmates.
2. With the second option, Cyclone Swimmers have the option of paying the \$100 (\$50 for Tadpoles) without soliciting pledges or donations.

As agreed to in each swimmer's registration forms, **this fundraiser is not optional**, and **ALL monies must be collected and turned in to the Team Treasurer (Alicia Baroni) by Wednesday, July 8<sup>th</sup>**. If you need to make other arrangements to submit funds, please contact Alicia. If funds are not turned in by July 8<sup>th</sup>, you will be responsible for paying your own splash fees at each meet you attend until funds are submitted.

- ❖ Each swimmer will receive a pledge form and envelope to be filled out as he or she gains donations/pledges. Donations can be taken at the initial sponsor contact, but pledges per lap will need to be collected after the Cyclone-a-thon.
- ❖ The Cyclone-a-thon will take place during regular practice hours at the Salida Hot Springs Pool on **Tuesday, June 30<sup>th</sup>**.
- ❖ Specific start times will be assigned to each level of swimmer. The swimmers will have one hour to swim as many laps as possible. Each swimmer must bring someone to count his or her laps.
- ❖ If a swimmer's sponsor has agreed to pledge an amount per lap, swimmers will be responsible for following up with his/her sponsor in a timely manner. Again, ALL monies must be collected and turned in to the Team Treasurer by Wednesday, July 8th.
