

## **Handbook**

Revised September, 2019

## MISSION STATEMENT

The Wellesley Swimming Association (“WSA”) is a non-profit private swimming club started in 1974 to provide an organized program of competitive swim training and team competition for boys and girls, ages 6-18. Members represent a number of area towns. The Wellesley Swimming Association is a family oriented swim team run by a volunteer Board of Directors and its parent volunteers. The Association, as a member of the Winter Suburban Swim League, arranges for quality training facilities, coaching, and swim meets from October through March.

The Wellesley Swimming Association offers each member the opportunity for personal growth and development through participation in competitive swimming. Emphasis is placed on the need to develop each athlete’s:

- knowledge and understanding of the sport of competitive swimming
- stroke technique and efficiency
- training procedures and self-discipline
- individual and team sportsmanship

Membership in the Wellesley Swimming Association is limited by team requirements as well as training, coaching and facility resources. Each fall, new team members are selected based on a number of factors including time trials in all four strokes (backstroke, breaststroke, butterfly and freestyle), form/technique, previous swim experience, and historic family commitment to WSA. Members and their parents must be willing to assume personal responsibility for a serious program of competitive swimming, training and team competition. Practice sessions concentrate on stroke refinement, elements of competitive swimming techniques, and physical conditioning.

Members, once selected, are expected to abide by the rules of the Association, the swim league in which it competes, the Association’s designated coaching staff, and the swimming facilities being used. Any failure to abide by these rules will be cause for dismissal from practice sessions, meets or the Association. Members and their parents should be aware of the following general rules:

- all swimmers are expected to participate in training sessions and meets and,
- parents are required to assist with activities at practices and meets such as locker room/hallway monitoring at all facilities, timing, scoring, bullpen, etc.. during competition

Additional rules governing the conduct of training sessions and meets are located within the WSA Code of Conduct and the Coaches Code of Conduct. Swimmers and parents are required to read and agree to the Code of Conduct before entering the pool for the first practice.

## **WSA CODE OF CONDUCT**

The WSA program is geared to developing the swimmer's physical and mental qualities to their utmost. This process demands the dedication of the swimmer and an equal commitment by the parents. The WSA is a parent-run, volunteer-based organization. As such, it is necessary and required for all parents to volunteer at practices and meets, and for administrative activities as well as being supportive of the performance of all swimmers on the team.

The safety of all swimmers is of utmost importance. Our pool contracts also prohibit certain behaviors in the pool buildings, and our ability to use the Wellesley Sports Center and Babson pools will be jeopardized if the behavior of swimmers or parents violates these contracts. Each swimmer and parent must adhere to this Code of Conduct in order to run a successful swimming program for all team members.

All swimmers, coaches, parents and board members must comply with the Massachusetts Anti-Hazing Statute. (See Appendix A)

### **SWIMMERS**

With about 200 swimmers on the team, weekly practices and meets cannot run smoothly and effectively without the cooperation of all swimmers.

- Swimmers are expected to respect one another as well as the coaching staff.
- Swimmers are expected to display a positive attitude and put forth 100% of their effort for practices and meets.
- Swimming is a team sport. Swimmers are expected to encourage and be supportive of one another and be willing to work together for the common benefit of the team.
- Appropriate behavior is expected at all practices and meets, home and away. Facility guidelines with regard to behavior and facility use will be strictly enforced.
- No disrespect to facility personnel and guests or defacement to facility property will be tolerated.
- Swimmers are expected to attend all practices and participate in at least five swim meets and the Championship A or B meet. WSA obligations are expected to be a priority for all swimmers. It is the responsibility of the swimmer to notify the coach if you will miss a meet or have a conflict which will result in your late arrival to a meet or early departure from a meet.
- Be on the pool deck at least 15 minutes prior to the scheduled practice and meet warm ups, and be prepared to enter the water (e.g., caps and goggles on). NOTE: Swimmers will not be allowed to participate in practices if they arrive more than 10 minutes late.
- Follow general "pool" safety rules at all times. This includes no running on the pool deck and no diving of any sort, into pools or off the starting blocks, except when instructed by the coach to do so during practice.
- Wear WSA uniforms at meets.

- Remain at meets until the coach has posted the line-up for the relays. We encourage all swimmers to stay until the end of every meet to support and cheer for the team.
- Swimmers are expected to demonstrate good sportsmanship in both victory and defeat.
- Swimmers should understand that the coaching staff is not a disciplinary body. The mission of the coaching staff is to teach and promote a positive swimming experience.
- No glass containers or food are allowed on the pool decks at any time. Plastic water bottles are acceptable. Snacks may be eaten during meets in the locker room, and swimmers are responsible for cleaning up after themselves.
- No flash photography is permitted during a swim meet.
- The use of cellular phone, unless in emergency, and the use of camera are not permitted in the locker rooms.

## **PARENTS**

Parents of WSA team members must comply and are required to perform the following obligations.

- Parents **MUST** fulfill their volunteer obligations by signing up and completing 4 shifts of any combination of meet or locker room duty. **NOTE:** It is the parent's sole responsibility to find a substitute for any assigned shifts which one cannot fulfill. Please plan accordingly. It is **NOT** acceptable to simply inform the Volunteer Shift Director that you cannot fulfill your assigned duty.
- All new parents will undergo the Massachusetts state-required CORI screening by electronically submitting CORI-required personal information via on-line for the purpose of screening for any criminal history which WSA may consider inappropriate in volunteer position supervising children.
- Returning WSA parents are required to renew their CORI screening once every 3 years.
- Check WSA newsletters, e-mail correspondence from WSA Board and coaches, and WSA website on a regular basis to stay informed of important information.
- Make the necessary arrangements to ensure that your swimmer arrives at practices/meets on time and is promptly picked up from practices/meets at the end of session. Your swimmer should always be equipped with all the required training items and meet attire, and should remain at all practices and meets until they have ended.
- Parents are required to inform the coaching staff and must obtain an approval from the coaching staff if the swimmer needs to leave early from the practice and meet.
- Refrain from talking to the coaches during practices or meets. Although the coaches are very interested in hearing from you regarding any concerns that you may have and value your input, in the interest of the safety of all swimmers and due to time constraints, it is not possible for them to take the time to do so at practices and meets. Please contact the coaches or the WSA Board via e-mail, and they will get back to you.

- Be supportive of your swimmer and other swimmers on the team, and display "good sportsmanship" at meets, practices and other WSA events. When your swimmer completes a race, the coaches suggest that parents not critique the performance, but offer support and enthusiasm to the efforts made by your swimmer. There will be selective practices at the start of swim season when parents may attend and view practices from the mezzanine spectator stands, and please adhere to the schedule provided by the coaches.
- **IMPORTANT:** Parents and guests are prohibited from entering the pool deck, unless in emergency, and being on the pool deck without designated volunteer obligations that permit such entry to the pool deck.

### **FAILURE TO COMPLY WITH THE ABOVE WILL RESULT IN THE FOLLOWING PENALTIES.**

In the interest of the safety of all swimmers and to ensure that all meets and practices run smoothly and in accordance with our pool contracts at the Wellesley Sports Center and Babson College, the following penalties will result if the above stated Code of Conduct is violated by:

**Swimmers:** At the discretion of the coaches and/or the WSA Board, depending upon the severity and frequency of the violation, swimmers will either be issued a written warning, suspended, or dismissed from the team for failure to abide by any of the above rules. Upon the issuance of 3 warnings over the course of the season, the swimmer will be dismissed from the team with no refund of dues paid.

**Parents:** Failure by parents to sign up for the required 4 volunteer shifts and fulfill the assigned shifts (e.g., locker room and hallway monitor, meet responsibilities), without finding a substitute, can be detrimental to the safety of all swimmers, the effective running of a practice/meet, and our continued ability to utilize the pools at the Wellesley Sports Center and Babson College.

As such and at the discretion of the WSA Board, failure by parents to sign up for the required 4 volunteer shifts will result in a fine of \$200 at the end of swim season.

As such and at the discretion of the WSA Board, failure by parents to fulfill the assigned shift without finding a substitute will result in the following fines that will be immediately processed upon notice.

1<sup>st</sup> infraction will result in a fine of \$100.

2<sup>nd</sup> infraction will result in a fine of \$200.

3<sup>rd</sup> infraction will result in the dismissal of your swimmer from the team with no refund of dues paid.

All fines will be automatically processed using the member's credit card information on file.

### **REFUND POLICY FOR REGISTRATION FEES**

A 75% refund of paid registration fee will be issued upon the receipt of written notice, stating the intent to withdraw from the program, via email and approval by the WSA president before **October 20, 2019**, the date of our first practice.

A 50% refund of paid registration fee will be issued upon the receipt of written notice, stating the intent to withdraw from the program, via email and approval by the WSA president on or before **October 31, 2019**.

There will be **NO** refunds under any circumstances after **October 31, 2019**.

## DESCRIPTION OF MANDATORY VOLUNTEER SHIFTS

### Locker Room Monitor (Meets and Practices)

The purpose of parent locker room monitors is to ensure the safety of our swimmers and prevent damage to facility property during practices and meets. This is a requirement of our contracts with the Wellesley Sports Center and Babson College whose facilities we lease, and is essential to our continued use of their facilities. **Only WSA Parents can be monitors.**

For this, male and female parent volunteers serving as the monitors of respective gender locker rooms will be stationed at the locker room door and will conduct a periodic walk-through of the locker rooms for monitoring of appropriate behaviors and safety of our swimmers. Locker room monitors must not remain in the locker rooms or use a cellular phone in the locker rooms.

We are required to have locker room monitors at all practices and meets as the facilities mandate that we have an adult monitoring the safety of our swimmers. We cannot overstate the importance of locker room monitors because we would run the risk of losing our contract if the locker rooms are not properly monitored.

Therefore and based on the previously stated WSA policy, a fine is levied for missed locker room monitor shifts. A parent missing a shift obligation will be assessed a **\$100 fine** (for 1<sup>st</sup> infraction), which will be automatically processed upon notice using the member's credit card information on file. A subsequent missing of a shift obligation will be issued a **\$200 fine** (for 2<sup>nd</sup> infraction). A 3<sup>rd</sup> infraction of missing a shift obligation will result in immediate dismissal of the swimmer from the team with no refund for dues paid.

The following guidelines apply to locker room monitors:

- If you are unable to fulfill your assigned shift, you are solely responsible for finding a substitute using the volunteer list provided on the website and by trading with another parent. You must send an e-mail to inform the Volunteer Shift Director (Michelle Freniere at [shiftcoordinator@wellesleyswim.org](mailto:shiftcoordinator@wellesleyswim.org)) as far in advance as possible once you have arranged for a substitute. The Volunteer Shift Director will then contact the substitute parent with a reminder call.
- Male parent volunteers will monitor the boy's locker room, and female parent volunteers will monitor the girl's locker room.
- Locker room monitors for practices must arrive at least 5 min before the scheduled shift and check in with the coaches upon arrival.
- Locker room monitors for meets must arrive at least 15 min before the scheduled shift and check in with the Bullpen Coordinator.
- Locker room monitors are required to stay until the end of your shift REGARDLESS of whether or not your child has finished practice.
- Locker room monitors may need to respond to injuries/accidents in the locker rooms. The coaches have a folder containing health forms with parent phone numbers and a first aid kit. If you have a cell phone, please bring it for the locker room duty, but do not use the cell phone in the locker room unless in emergency.
- Locker room monitors are responsible for:
  - ✓ Positioning outside the locker room door and conducting a periodic walk-through of the assigned locker room in order to supervise the appropriate behaviors of our swimmers (e.g., **NO** running, towel swatting, use of electronic device or cell phone

without emergency, water running, bullying, use of profanity or other offensive language, and staying after changing).

- ✓ Limiting the entry to only WSA and visiting team swimmers to enter the locker rooms. No parents are allowed in the locker rooms unless in emergency.
- ✓ Controlling the traffic at the locker room doors leading from the hallway into the locker rooms.
- ✓ Ensuring that showers and faucets are turned off at the end of your shift.
- ✓ Collecting swimsuits, towels, goggles, flippers, and any other items left at the end of your shift, and giving them to a coach for the lost & found.
- ✓ Ensuring that all swimmers have left the locker room at the end of practice/meet.

**NOTE:** The locker room monitors cannot leave the locker room until all swimmers have left.

**The online sign-up for locker room monitors for all meets and practices will be processed through the WSA's Team Unify website. A notification e-mail will be sent by the system to all families when the locker room monitor sign-ups are open on the website.**

### **Hallway Monitor (Meets)**

The purpose of parent hallway monitors is to ensure the safety of our swimmers, parents and guests, and prevent damage to facility property during meets. The hallway monitors are responsible for directing traffic to the locker rooms (for swimmers) and to the 2<sup>nd</sup> floor spectator stand (for parents and guests). The hallway monitors must also supervise appropriate behaviors of swimmers, parents, and guests to maintain a family-friendly environment during the swim meets.

## **SWIM MEET JOB DESCRIPTIONS**

The following are detailed descriptions of each position needed during a swim meet. If you have additional questions or are interested in any of the below meet positions, please contact the Meet Director, Dana Lynch at

**IMPORTANT: All Meet Volunteers must check-in with the Bullpen Coordinator or Head Timer at the lobby of the Wellesley Sports Center or in the hallway outside the pool of Babson College at least 30 minutes before the meet start time for orientation.**

### **Starter**

The Starter announces each event (event number, gender, age group, stroke, and distance) and subsequent heat numbers using a strong voice. The Starter ensures fair starts for each race and calls false starts when it occurs. With assistance from bullpen, timers, and runners, the Starter combines heats when possible. The Starter ensures a smooth running of meet by continuously verifying that others on the pool deck (coaches, timers, runners, bullpen, stroke & turn judges) are "in synch". The Starter meets with each group or group leader before the meet; slows or stops meet if any group is not ready. The Starter communicates with coaches and pool deck leaders if any activities are slowing the pace of the meet. The Starter begins the meet ON TIME, and keeps the pace of the meet moving as efficiently as possible.

### **Stroke & Turn Judge**

The Stroke & Turn Judge is league certified to evaluate the legality of swimmer's individual strokes and turns during the race.

### **Stat**

The Stat imports meet line-ups provided by coaches and makes revisions to line-ups on deck prior to the start of meet. The Stat records name, place, and time for each event, and all heats included in the event. Together with the opposing team, the Stat calculates overall team scores for the swim meet. The Stat generates meet program and lane timer sheets on deck prior to the start of meet. The Stat also posts meet results to the WSA website, and provides meet results to visiting team via electronic file.

### **Timer**

The Timer is responsible for accurately measuring the time of each swimmer's race at the meet. The Timer is assigned to a lane and measures the race time for all swimmers competing in the assigned lane. At the start of race signaled by the Starter's light/sound, the Timer starts the stop watch and stops the stop watch at the completion of race. The Timer records the race time on the lane timer sheet that has been handed to you by the Runner assigned to your lane. The Timer may ask the swimmer exiting the pool to verify the swimmer's name with that on the lane timer sheet. The Timer hands the lane timer sheet to Runner who will bring the sheets to the Stat for recording. The Timers are supervised by the Head Timer who acts as a back-up Timer in the event of any missed timing or clock failure. In that case, the Timer must quickly raise one's hand to signal to the Head Timer for back-up.

All scheduled Timers must report to the Head Timer for orientation at the lobby of the Wellesley Sports Center or at the hallway outside the pool of Babson College at least 30 minutes before the meet start time. At the orientation, the Timers will be assigned a lane and receive a stop watch, pencil, and clipboard. The

Timers must be present for the entire duration of the meet regardless of when your child finishes the meet.

## **Runner**

The Runners are responsible for picking up the lane timer sheets from each lane and deliver them to the Stat at the scoring table for recording after each event. The Runners also deliver the meet program to WSA and visiting coaches, Bullpen Coordinators for both teams, Starter, and Stroke & Turn judges.

## **Bullpen Volunteers and Bullpen Coordinators**

The Bullpen Coordinators are responsible for:

- ✓ Contacting the parent volunteers assigned to the bullpen before each meet to confirm their assigned shifts.
- ✓ Making the necessary substitutions if needed.
- ✓ Meeting with the Bullpen Volunteers for orientation at least 30 minutes prior to the meet start time in order to assign their responsibilities and answer any questions.

The Bullpen Volunteers are responsible for:

- ✓ Lining up and organizing the swimmers in correct order based on their heat and lane numbers to ensure that swimmers arrive at the assigned lane in preparation for race.
- ✓ Finding any missing swimmers well before the line-up to ensure that the swimmers do not miss their race.
- ✓ Providing lots of enthusiasm and support for all swimmers and offering comfort to young swimmers.

## PRACTICE TIMES

Be on the pool deck at least 10 minutes before your assigned start time for announcements, stroke training, and exercises.

**IMPORTANT: Swimmers at ages 11 and over MUST attend 2 of 3 practices conducted on Sundays, Mondays, and Thursdays. You may attend either Monday or Tuesday practices, or you may attend both. But you must commit to attending at least one of those weekday practices in addition to the Sunday practices. All swimmers should plan on attending the Sunday and Thursday practices.**

## **Frequently Asked Questions and Answers**

### **Who do I go to if I have a question?**

Please feel free to contact the WSA President, Jason Kim at [president@wellesleyswim.org](mailto:president@wellesleyswim.org), or the WSA Technology Director, Tom O'Brien at [admin@wellesleyswim.org](mailto:admin@wellesleyswim.org). If you have specific question about a particular topic (e.g., volunteer shift, social event), you can contact the respective Board of Directors.

### **What is the best way to contact the coaches?**

Please send an e-mail to the coaching staff at [coaches@wellesleyswim.org](mailto:coaches@wellesleyswim.org).

### **Why can't we watch practices?**

The coaching staff wants complete attention of the swimmers at all times. We would also like to keep the swimmers on the pool deck with the coaching staff.

### **Why do we need locker room monitors?**

The WSA leases the pool from private facilities. All facilities require that we provide adult supervision in the locker rooms at all times as part of our contracts. If WSA does not have an adult monitor in a locker room during practice times, the locker rooms will be locked and NOT be available to the swimmers.

### **How did my name get on the substitute list for locker room/meet duty?**

Each WSA family is obligated to serve 4 volunteer shifts per family during the swim season.

### **Who do I call if I can't fulfill an obligation at a practice or swim meet?**

It is solely your responsibility to find a substitute for any locker room or swim meet volunteer shifts to which you have been assigned. Once you secure a substitute, you should notify the Volunteer Shift Director, Michelle Freniere at [shiftcoordinator@wellesleyswim.org](mailto:shiftcoordinator@wellesleyswim.org) to update the shift changes. The team is very much depending upon you to show up especially for locker room duty. The WSA will assess a fine if you fail to do so.

### **Why are some swimmers allowed to practice with older age groups?**

If the coaching staff feels that a swimmer is capable of a more difficult challenge, they may be invited to swim up an age group.

### **Who do I talk to if I want my child to swim up?**

This should never be driven by a parent. It is only a coach's decision, and if we feel the swimmer is ready, we will discuss with the swimmer and/or parent.

### **Who do I call/contact if my child cannot make it to a meet due to illness? (on the day of) How do I contact that person?**

You must send an e-mail to the coaching staff at [coaches@wellesleyswim.org](mailto:coaches@wellesleyswim.org) as soon as possible. You should also send word with another swimmer to inform our Head Coach Meredith immediately upon arriving at the pool for warm-ups so that they can be scratched from the lineup.

### **How many events will my child swim in a swim meet?**

Each WSA swimmer is eligible to swim "officially" in 2 individual events and a relay.

Whether or not every swimmer swims in a relay at meets is dictated by the number of swimmers in attendance.

### **Who chooses what events my swimmer will be in?**

For the most part, the coaches choose the events, but periodically throughout the season, the swimmer can request a meet event. Exactly what events a swimmer is assigned to is strictly the coaches' decision. The WSA coaches place swimmers in heats and events based on previous times and a swimmer's ability to compete "legally".

### **Why doesn't my swimmer ever get to swim in heat one?**

Swimmers are placed in heats based on seed times (fastest times in heat 1, slower times in higher heats). The heats are computer generated just prior to the start of a meet. Swimmers in any heat can score points as points/places are based on finish times, not heat.

### **How do I find out if my swimmer has qualified for the A Championship?**

Swimmer's individual times will be posted on the WSA website several days after each dual swim meet. There are cut-off times to qualify for the A Championships based on 2018-2019 record. These times will be posted on the WSA website, under the Information link as they become available. If your swimmer has posted a time equal to or faster than the "A" qualification times, you can assume that your swimmer will be going to the A Championship. Swimmers not qualifying for the A Championship will swim in the B Championship.

## **Appendix B—Physical/Sexual Abuse protocol procedures**

### **Child Physical Abuse**

The Wellesley Swim Association (WSA) takes any allegations of child abuse extremely seriously. We are required to report any alleged physical or sexual abuse that takes place at practice or meets in any of our facilities to the state child protective services within 24 hours after the allegation is made know. Any allegation of abuse prior to a swimmer's arrival at practice/meet is to be reported within 8 hours, with a written report within 72 hours.

Anything done to deliberately inflict pain while disciplining a swimmer is considered child abuse. The physical size and strength of WSA coaches and WSA parent volunteers necessitates that discretion and restraint is used in all physical contact with swimmers.

### **Child Sexual Abuse**

We cannot be too careful in the area of sexual abuse. Even the appearance of wrong or false allegation can cause irreparable damage to the accused staff member and association as a whole. Therefore, all staff members and WSA parent volunteers must be very cautious in order to avoid doing anything that could be interpreted as sexual abuse.

Child sexual abuse includes, but is not limited to, any contact or interaction between a child and an adult when the child is being used for the sexual stimulation of the adult or third person. The behavior may or may not involve touching. Sexual behavior between a child and adult is always considered forced, whether or not the child has consented.

Do NOT touch the genital area or buttocks of any swimmer. A quick hug is considered acceptable but a prolonged hug or embrace is not. Use good judgement.

### **Procedures for Child Abuse Complaints:**

1. Any actions that you observe that are not acceptable behavior according to the above guidelines should be reported as soon as possible to the WSA President.
2. The WSA president will notify the appropriate authorities and parents.
3. The WSA president will inform the WSA Board to take appropriate internal action.

### **Child Abuse Reporting**

Affectionate touch and the warm feelings it brings is an important factor in helping a child grow into a loving and peaceful adult. However, staff and parent volunteers need to be sensitive to each persons' need for personal space. (i.e. not everyone wants to be hugged). The WSA encourages appropriate touch in the example of encouragement after tough race (high fives), or showing a swimmer proper stroke technique, etc.; however, at the same time, prohibits inappropriate touch or other means of exploiting children.

In the event that there is an accusation of child abuse, the WSA will take prompt and immediate action as follows:

1. At the first report of probable cause to believe that a child abuse incident has occurred, the employed staff person or parent volunteer receiving the report will notify the WSA President, who will then review the incident with the WSA Board of Directors.
2. However, if the WSA president is not immediately available, this review cannot in anyway deter the reporting of child abuse by the mandated reporters. Most states mandate each child care provider to report information they have learned in their professional role regarding suspected child abuse. In most states, mandated reporters are granted immunity from prosecution.

3. The WSA will make a report in accordance with relevant state or local child abuse reporting requirements and will cooperate to the extent of the law with any legal authority involved.
4. In the event the reported incident involves a parent volunteer or employed staff, the WSA president will, without exception, suspend the volunteer or staff member from the association and they will be prohibited from participation in any WSA activities, i.e. practices, meets, social outings
5. The parents or legal guardians of the children involved in the alleged incident will be promptly notified in accordance with the directions of the relevant state or local agency.
6. Whether the incident or alleged offense takes place on or off facilities that WSA uses for practice/meets, it will be considered job related because of the youth involved nature of this swim team.
7. Reinstatement of the employed staff person will occur only after all allegations have been cleared to the satisfaction of the WSA president and the WSA Board.
8. All staff and parent volunteers must be sensitive to the need for confidentiality in the handling of this information and therefore, should only discuss the incident with the WSA president.
9. All full time and part time employees and parent volunteers must read and sign this policy.
