SCSC COMPETITION SUIT POLICY

Revised 07/2018

In developing the SCSC swimwear policy, the coaching staff has tried to accomplish four objectives:

1. Maintain our philosophy of preparing our athletes to compete at the next level of competition.
2. Allow our swimmers to be competitive at their most important meet of the season.
3. Protect our SCSC families from unnecessary costs when purchasing competition swimwear.
4. Arrive at meets looking like a team.

There are several factors that determine the type of suits our SCSC swimmers will wear during competition including the swimmer's age, physical development, swimming efficiency, level of competition, fit, and cost. For most of the season, the standard SCSC team suit will be the team suit. Any deviation from this would be the direct result of a specific coaches' decision for a specific swimmer.

Please remember that SCSC is sponsored by Speedo. Our swimmers should not wear any **suit, cap, or other team gear** that bears the logo or insignia of another swimwear company (i.e. TYR, Nike, etc.) for competitions.

Regular Season Competition

All swimmers are *required* to wear the SCSC team suits and SCSC team caps at regular season meets. We offer several different styles of navy speedo suit with the SCSC logo (see the SCSC page on Augusta Swim Supplies website to see the different styles) to help your swimmer pick a suit. It is important that we look and feel like a team at competitions just the same as a basketball team walking out on the court or a soccer team walking out on the field.

Championship Meets
