

Dear SCSC Families

Welcome to the start of another exciting SCSC season! In an effort to best support our swim club, we are introducing an exciting model of fundraising, one that benefits both families and the team. As stated in the team registration information, there is a fundraising requirement of \$100 per swimmer during the swim season (September 2019 - August 2020). SCSC is asking you to help identify new sponsors. All sponsorships play an important part in helping SCSC achieve its mission and vision of developing student-athletes and igniting life champions through excellence in swimming.

The model of sponsorship below includes five levels at which a company can help support SCSC. For each new sponsor you nominate and eventually sign on as a sponsor, there are various family reward levels. Helping to secure just one "SCSC Friend" or higher level sponsor will meet your swimmer's fundraising requirement for the year.

The deadline for any sponsor to display their logo on the shirt or on the team banner is September 1, 2019.

Sponsorship Level	Swimmer Benefit	Additional Benefit
Platinum (\$3000)	\$100 fundraising goal met	Volunteer credit met; \$200 credit toward monthly fees (one time)
Gold (\$2000)	\$100 fundraising goal met	Volunteer credit met; \$100 credit toward monthly fees (one time)
Silver (\$1000)	\$100 fundraising goal met	Volunteer credit met
Bronze (\$500)	\$100 fundraising goal met	
SCSC Friend (\$250)	\$100 fundraising goal met	

The deadline for fundraising commitments in the 2019-2020 season is March 1, 2020. This ensures you are duly credited and rewarded for the current season. Also remember that SCSC is a 501c.3 nonprofit organization meaning donations may be tax deductible.

We hope this exciting chance to help the team *and* your swimmer fundraising goals will provide ample opportunities for each and every family. If you have any questions about this team fundraising, please do not hesitate to contact me at sponsorship@swimscsc.com.

We would like to take a moment to welcome our new SCSC families as well as welcome back our returning swimmers and their families. We look forward to seeing everyone on deck and supporting our swimmers!!

Go SCSC!
