If interested in wearing the Carbon Series of suits, swimmers are encouraged to communicate with their coach before purchasing. Not all swimmers significantly benefit enough from the more expensive suit to justify the additional cost.

****If you already have a Speedo brand team suit from previous years this suit can continue to be worn. We just ask that once the suit has worn out or once your swimmer out grows the suit that the new suit purchased be the Arena team suit.**

SCSC COMPETITION SUIT POLICY

In developing the SCSC swimwear policy, the coaching staff has tried to accomplish four objectives:

1. Maintain our philosophy of preparing our athletes to compete at the next level of competition.
2. Allow our swimmers to be competitive at their most important meet of the season.
3. Protect our SCSC families from unnecessary costs when purchasing competition swimwear.
4. Arrive at meets looking like a team.

There are several factors that determine the type of suits our SCSC swimmers will wear during competition including the swimmer's age, physical development, swimming efficiency, level of competition, fit, and cost. For most of the season, the standard SCSC team suit will be the team suit. Any deviation from this would be the direct result of a specific coaches' decision for a specific swimmer.

New for the 2019-2020 season, SCSC is sponsored by Arena. We do understand that our swimmers may have new or barely used Speedo products. Our agreement with Arena allows for a 2 year "grandfather" period in which swimmers can continue to wear and use any Speedo suits or products they have until they wear out or a new size is needed. Once the time comes for a new suit then we ask that you purchase an Arena product.

We require that swimmers have the team suit, whether it be the new Arena Suit or the old Speedo suit, at all meets. Those failing to wear their SCSC team suit at meets, both regular season and championships, risk not being permitted to warm-up with the team as well as not being permitted to compete.

Regular Season Competition

All swimmers are *required* to wear the SCSC team suits and SCSC team caps at regular season meets and during warm-ups for championship meets. We offer several different styles of navy Arena suit with the SCSC logo (see the SCSC page on Augusta Swim Supplies website to see the different styles) to help your swimmer pick a suit. It is important that we look and feel like a team at competitions just the same as a basketball team walking out on the court or a soccer team walking out on the field.

Championship Meets

Coaches determine which meet is considered the championship meet for each swimmer. Team caps should be worn at championship level meets, with a few coach-dictated exceptions. Swimmers are required to wear their SCSC team suits during warm-ups for championship meets and then may change into one of the approved championship suits that are appropriate for their Division.

Approved championship swimwear varies by age group and ability as follows:

Bronze and Silver Divisions: All Bronze and Silver swimmers should wear their SCSC team suits at swim meets. The SCSC coaching staff believes that at this age, physical development and skill level, swimmers do not significantly benefit enough from advanced swimwear technology to justify the additional cost.

Gold Division: All Gold swimmers should wear their SCSC team suits at regular season swim meets. In addition to the SCSC team suit, at championship meets Gold Division swimmers may wear the following:

Girls: Arena Powerskin ST 2.0 Classic (**Please make sure it is the classic cut - 11&12s cannot wear kneeskins**)

Boys: Arena Powerskin ST 2.0 Jammer

The SCSC coaching staff believes that at this age, physical development and skill level, swimmers do not significantly benefit enough from the more expensive suits in advanced swimwear technology to justify the additional cost.

Platinum and Senior Division: All Platinum swimmers should wear the SCSC team suit at regular season swim meets. In addition to the SCSC team suit, at championship meets Platinum swimmers may wear the following:

Girls: In addition to the Arena Powerskin ST Classic, Senior and Platinum division swimmers can also

wear the Arena Powerskin ST 2.0 Kneeskin, the Arena Evo Kneeskin, or the Arena Carbon Series of suits which come in light compression, medium compression, and high compression

Boys: In addition to the Arena Powerskin ST 2.0 Jammer, Senior and Platinum division swimmers can also wear the Arena Evo jammer or the Arena Carbon Series of suits which come in light compression, medium compression, and high compression

If interested in wearing the Carbon Series suits, swimmers are encouraged to communicate with their coach before purchasing. Not all swimmers significantly benefit enough from the more expensive suit to justify the additional cost.
