

POOL LOCATIONS

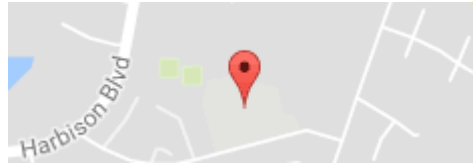

Palmetto Aquatics has two main training sites in the Columbia area: 1) The University of South Carolina Solomon Blatt PE Center and 2) The Harbison Recreation Center. The USC location, the state's best facility, is short course yards during the school season and long course meters during the summer. Harbison is a 6-lane 25 meter pool. We also swim outdoors in the mornings at Quail Valley Swim & Racquet Club during the summer months.
