

PUMA Swim Team New Swimmer Assessment Form & Waiver

Thank you for your interest in the Central Coast's premier youth aquatics team. You can expect a coach to give your child a variety of skill tests to ensure proper placement in one of our age group or race programs. The assessment usually takes 5-10 minutes to complete. Coaches will be available for questions after the assessment period. PUMA offers a free 1-week try-out period at all of our sites.

Required Gear and Information for the assessment

- A smile and great attitude!
- Swim suit, goggles, and towel.
- Completed assessment form
- **Bring a \$50 check written out to "PUMA"**. This check will only be cashed and applied to your account after you register for the swim team. If you do not wish to join after your 1-week free trial, your check will be returned to you.

The Site Leader or Office Administrator will provide you with the New Member Checklist that contains important information about membership and includes the simple steps to register and set up your account on our website.

Should you have questions regarding registering online, or any other swim team questions, please contact our Office Administrator at: pumaswim@yahoo.com.
