Tri-Pay Plan 3: May/June/July

\*high school swim team members (see below)

\*\*the team break in August

High School swim team members ONLY pay 1/2 of Tri-Pay Plan 2 (\$245) during high school swim season. This gives them to practice with PVAC as a supplement to their high school practices.

Dues are due on the first day of the month or if you choose the Tri-Pay Plan, Sept. 1, Jan. 1 and May 1. A late fee of \$20 is imposed after the 10th of the month if you are paying by the month or \$60 if you are paying by the Tri-Pay Plan. Your timely payments ensure that our coaches, insurance, taxes and pool rentals are paid on time. We regret that we cannot afford for families to become delinquent in their payments or negotiate our team fees. **PVAC does not pro-rate dues** regardless of the number of days your swimmer attends practice or if a swimmer becomes inactive for a portion of the tri-pay plan. There are no exceptions.

A written two week notice is required if a swimmer is taking a "break" from club swim. This notice must be received PRIOR to the "break". This is a courtesy to the staff so that we can effectively budget our resources and pool usage for the benefit of our swimmers & families.
