

Championship Shirts

Each year during short course, we unveil a new Championship Shirt in February.

Swimmers earn one by qualifying for and attending PAC Champs, JOs, Senior Sectionals, Futures, or Junior Nationals. This means not everybody is given one of these shirts, so it is an honor to wear one.

Swimmers have another chance to earn one during long course by qualifying for and attending the same-level meets in July/August.

We have those swimmers wear the shirt during the meet in which they qualified on a designated day, which can be found in the meet information/meet update prior to each meet.

We encourage families to write their swimmer(s) names on the tag or inside collar of the shirt in case it gets lost.

Also, please remember to purchase the other 3 team Meet Shirts from Board Member Gloria Mikelson or at The Swim Guy.
