11th Annual February Fling Meet
MEET UPDATE

Coaches,

First, we would like to personally thank all of our visiting teams for participating. We wanted to take a moment to update you on this weekend's swim meet.

- Meet web site: http://www.gocukes.com/SubTabGeneric.jsp?team=scsyssc&_stabid_=32431
- All events will be run in 12 lanes.
- Y-Spartaquatics Swim Club follows local DHEC guidelines and South Carolina CDC protocols.
- The listed Safety Marshall is responsible for coordinating Return to Competition Plan and SafeSport Protocols.
- Please notify your team families that **parking is only available in the front parking lots** (opposite side from the pool) of the YMCA. ***Parking at the other end of the YMCA is for coaches and meet officials only.***
- We greatly appreciate help by visiting officials. Individuals wishing to officiate should contact meet referee Kim Crounse via email or phone **before the meet**.
- There is NO running allowed on deck at any time.
- All non-competing persons i.e. officials, coaches, timers, spectators, and meet administrators must wear face coverings and comply with mandated social distancing and mass gathering rules. Athletes are strongly encouraged to wear masks between events.
- All coaches must check-in at Clerk of Course and get their temperature taken (unless already checked in the lobby). Wristbands will be issued to coaches and coaches' heat sheets will be handed out during check-in.
- All meet participants must enter the Middle Tyger YMCA through the front doors and proceed to the check in table where they will have their temperature taken. Anyone with a temperature about 100.4° will not be admitted. They will then proceed directly onto the pool deck. Once on the pool deck, all participants will need to follow the prescribed flow-of-traffic at all times.
- **NO SPECTATORS** will be allowed in the pool area. Y-Spartaquatics will make every attempt to live stream the competition on social media (https://www.facebook.com/gocukes).
- Swimmers must arrive in their suits. Locker rooms will be designated for restroom use only. No changing or showering will be allowed. Locker room and restroom use must comply with all USA Swimming Safesport guidelines.
- Parents/Guardians will be able to observe and have access to their children in the following manner: live streaming.

1. Seating is limited to the **pool deck or outdoor areas only**. No seating will be allowed in the facility's lobby or hallways. The pool deck will **not** be open before 6:30 AM for seating.

- Spectators and swimmers should enter and exit from the building through YMCA front doors only. Pool deck doors are to remain closed during the meet.
- Warm down lanes will be available with no more than 4 swimmers per lane and maintaining social distancing within the lanes at all times.
- Bleacher seating will be set up for all swimmers with social distancing markers for the swimmers to remain at during the meet.
- Please ask your team to help keep your team areas clean throughout the meet, every day.
- **Any destruction or damage to the gym or YMCA facility will result in that swimmer and his/her team being scratched from the rest of the meet weekend.**

- It is the goal of meet management to keep the duration of the session as short as possible yet retain adequate recovery time for every swimmer.
  a) If the meet referee makes changes to any heats from what is printed in the heat sheet, the coach of any affected swimmers will be notified in advance.
  b) All events 400 yards and greater will be positive check-in.

- Positive check-in for each session closes promptly **30 minutes prior** to the start of the session. If you intend to scratch (i.e., not check-in) a swimmer, **please also confirm scratches** on the check-in sheet.

2. Events shorter than 200 yards do not require a check-in, but notification of any scratches will be appreciated.

3. *An athlete whole-meet scratch form will be available at Clerk of Course*. If at any point during the meet you know one of your swimmers will no longer be swimming, please note this on the whole meet scratch form.

4. Addition of new athletes to deck seeded events will only be permitted **prior to the start of warm-ups.**

5. Adds to pre-seeded events will only be permitted on a "lane available" basis. **No heats will be added for the event.**

6. All swimmers **must supply their own timer and counter** for the 500 Free. Parent timers are to enter the pool deck by the Clerk of Course pool doors. They will have their temperature taken prior to their swimmer's heat.

7. Since this is considered a "last chance meet" before the state meet, we'll make every effort to accommodate time trials within reason. Time trials will be conducted at the discretion of the meet referee.

   a) 30 minutes has been set aside after each session to conduct time trials and clear the deck.
   b) You must let the clerk-of-course know your intent to swim a time trial **no later than 30 minutes before the end of each session**. This will provide time to set up the time trials and not have a long waiting period after each session. The end of each session will be announced well in advance.
   c) Time trials will be grouped by distance...i.e...multiple strokes and mixed genders may end up swimming in one heat of the same distance.
   d) **Only coaches can sign-up swimmers for time trials.** Swimmers must provide their own timer. Parent timers are to enter the pool deck by the Clerk of Course pool doors. They will have their temperature taken prior to their swimmer's heat.
   e) If you have questions, please see the clerk-of-course.

8. There will be breakfast, lunch, dinner, and snacks available for coaches and officials in a room off the YMCA main lobby. Once the meets starts, snacks and waters will be available at the Clerk of Course area. Coaches are asked to take their food to the pool deck to eat.

9. A concessions stand will be available for swimmers and spectators. The pool deck door by concessions can be used for outside spectators to purchase concessions items. This is not a designated entry location for swimmers.

10. Augusta Swim Supply will be in the lobby on Friday evening and Saturday only for all your swim meet needs.

11. Heat sheets will be mailed to the coaches for distribution to the swimmers and families no later than Thursday PM. There will be no heat sheets available at the meet. Swimmers and families are encouraged to print a copy ahead of time to bring to the meet with them.

We are Carolina Facemask and PPE (CFM) and we are a Veteran owned small business. We are currently producing at our facility located in Greer, South Carolina.

Our mission is simple: Bring PPE production to South Carolina.
Our motto is simple: American workers, American materials, American made.

We know that our product is superior to the other masks on the market. You will immediately notice the softness, the breathability, and the comfort.

Our masks have passed testing requirements per The American Standard for Testing and Materials (ASTM) standard F2100. Our masks have been certified via Nelson Laboratories as better than 99% effective against bacterial and particle filtration. This is quite different from homemade or cloth masks that have very little bacterial or particle filtration.

Please visit our website at **www.carolinafacemaskandppe.com** to order. We can also provide masks in bulk for businesses or communities. If there is an opportunity to do so, please contact us anytime at cfm@aticorporation.com or at our office number: 864-989-0566.
As we increase production, we will also be making various donations to first responders, churches, and schools.

Please follow us on all social media platforms for updates.
