2022 25th Annual YSSC May LC Coaches Invitational
MEET UPDATE

Coaches,

First, we would like to thank all of our visiting teams for participating. We want to take a moment to update you on this weekend's swim meet.

- Meet web site: http://www.gocukes.com/SubTabGeneric.jsp?team=scsyssc&_stabid_=5837
- Y-Spartaquatics Swim Club follows local DHEC guidelines and South Carolina CDC protocols.
- The listed Safety Marshall is responsible for coordinating Return to Competition Plan and SafeSport Protocols.
- Please notify your team families that **parking is only available in the front parking lots** (opposite side from the pool) of the YMCA. ***Parking at the other end of the YMCA is for coaches and meet officials only.***
- We greatly appreciate help by visiting officials. Individuals wishing to officiate should contact meet referee Kim Crounse via email or phone **before the meet**.
- There is NO running allowed on deck at any time.
- There will be a limited bleacher seating for spectators along with the patio being available. There will also be an area for standing spectators. This area should only be used to watch a swimmer's race and then leave the area for other spectators. Y-Spartaquatics will make every attempt to live stream the competition on social media (https://www.facebook.com/gocukes).
- Locker room and restroom use must comply with all USA Swimming Safesport guidelines.
- Please ask your team to help keep your team areas clean throughout the meet, every day.
- **Any destruction or damage to the gym or YMCA facility will result in that swimmer and his/her team being scratched from the rest of the meet weekend.**
- Parents/Guardians will be able to observe and have access to their children in the following manner: live streaming.
- Seating is limited to the **pool deck or outdoor areas only**. No seating will be allowed in the facility's lobby or hallways. The pool deck will **not** be open before 7:30 AM for seating.
- It is the goal of meet management to keep the duration of every session as short as possible yet retain adequate recovery time for every swimmer. Several methods will be used to achieve this:
  1. Events of 400m or greater, including freestyle, are positive check-in events and deck seeded. This ensures that no extra heats are seeded for lanes that will not have a swimmer.
  2. If the meet referee makes changes to any heats from what is printed in the heat sheet, the coach of any affected swimmers will be notified in advance.
- Positive check-in for each session closes promptly **30 minutes prior** to the start of the session. If you intend to scratch (i.e., not check-in) a swimmer, **please also confirm scratches** on the check-in sheet.
- Events shorter than 200 yards do not require a check-in, but notification of any scratches will be appreciated.
- *An athlete whole-meet scratch form will be available at Clerk of Course.* If at any point during the meet you know one of your swimmers will no longer be swimming, please note this on the whole meet scratch form.
- Addition of new athletes to deck seeded events will only be permitted **prior to the start of warm-ups** each session.

- No **new athletes** will be added to the meet without presenting a valid USA Swimming ID card.
- Adds to pre-seeded events will only be permitted on a "lane available" basis. **No heats will be added for the event.**
- All swimmers **must supply their own** counter (if desired) and timer for events of 400M or longer. This includes the 800M Freestyle, 400M IM and 400 Freestyle. Parent timers are to enter the pool deck by the Clerk of Course pool doors.
- There will be breakfast, lunch, and snacks available for coaches and officials in a room off the YMCA main lobby. Once the meets starts, waters will be available at the Clerk of Course area.
- A concessions stand will be available for swimmers and spectators. The pool deck door by concessions can be used for outside spectators to purchase concessions items. This is not a designated entry location for swimmers.
- Heat sheets will be mailed to the coaches for distribution to the swimmers and families no later than Thursday PM. There will be **no** heat sheets available at the meet.
- **WARM-UP TIMES:** Please note that warm-up lanes will be assigned unless otherwise noted.

	Warm-Up Start	Session Start	Session End	Duration
Friday PM	4:00 PM	5:00 PM	8:00 PM	3 hours
Saturday	8:00 AM	9:00 AM	12:15 PM	3.25 hours

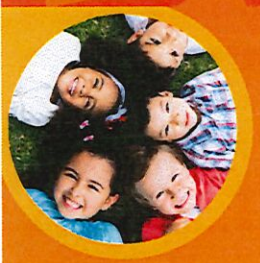
SEA CUKES



Our Mission is to put Christian principles into practice through programs that build a healthy spirit, mind and body for ALL.

When you give to the Y, you partner with us to provide life-changing programs and services focused on:

INSPIRING YOUNG POTENTIAL & DRIVING ACADEMIC SUCCESS

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential.

DROWNING PREVENTION

Swim lessons are a necessity, not a luxury. Every child deserves to learn life-saving water safety skills. We work with the school districts to provide swimming lessons for kids as their PE class.

TACKLING COMMUNITY HEALTH CHALLENGES

By helping cancer patients and adults at risk for chronic disease through signature programs like LIVESTRONG at the YMCA, we build a stronger, healthier community.

ENSURING ACCESS & BELONGING FOR ALL

With our doors open to all, we bring together people from all backgrounds and support those who need us most. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together.

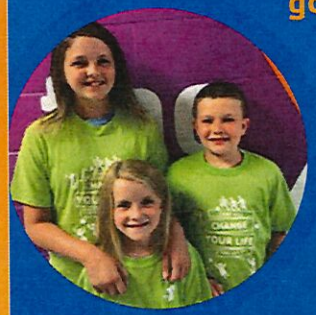
"I cannot say enough good things about the Y"



After Rhonda's divorce, her three children, Morgan, Grayson and Ashlyn, needed a safe place to go during their out-of-school time while Rhonda was at work. They found that place at the Middle Tyger Y.

"When I'm at work, I know my children are safe and protected. I rely on Megan and her staff to monitor their behavior for changes and problems, and they have always gone above and beyond," says Rhonda. "The children love the counselors, the activities and the sports and specialty camps." In the beginning, her youngest daughter, Ashlyn, would cry about having to go to afterschool instead of coming straight home, but now she gets up at 6:15 every morning excited to go to camp!

CONSIDERATION TIMES:

*Any swimmer who achieves the qualifying standard will be deemed qualified for the event. Any swimmer who has legally competed in this event 3 times during the relevant qualifying period will be deemed qualified for the event. A 10/u swimmer may qualify to swim the 500 using any combination of three 400 Long Course Free and 500 Short Course Free completed during the qualifying period. Swimmers in this event will enter at their fastest legal time (verified through SWIMS). All swimmers entered using this alternate time standard will submit a hard copy of the swimmers' names and the 3 qualifying swims to the Age-group Chair or his/her designee by the meet entry deadline.

**11-12 age-group events 400 yards/meters and above will implement a "consideration time." Swimmers entering these events with a qualifying time will be seeded in the event. The event will be filled to 4 full heats. Any remaining spot(s) after regular qualifying entries are compiled will be filled with the fastest consideration time entries. Consideration times from the conforming course will be entered first. Consideration time entries will be automatically entered in the meet until 4 heats are filled (32 or 40 for 8 and 10 lane courses respectively). These entries will be posted in the preliminary psych sheet.

***11-12 age group events of 200 yards/meters of stroke (Back, Breast, and Fly) will implement a "consideration time" for swimmers ALREADY qualified for the meet in any other individual event. The consideration times are a 4% increase on the actual qualifying time for the event. The event will be filled to 4 full heats. Any remaining spot(s) after regular qualifying entries are compiled will be filled with the fastest consideration time entries. Consideration times from the conforming course will be entered first. Consideration time entries will be automatically entered in the meet until 4 heats are filled (32 or 40 for 8 and 10 lane courses respectively). These entries will be posted in the preliminary psych sheet.

RELAYS:

An 11-12 400 Relay team may qualify using the 200 Relay time standards (either by aggregate or team time). Qualifying for the 13-14 200 Relays will be based on the 400 Relay time standards (either by aggregate or team time). Seeding for all 11-12 Relays will be done using a qualifying or aggregate time in the 200 Relay distance and for the 13-14 age group, seeding will be based on the 400 relay distance using either a qualifying or aggregate time.

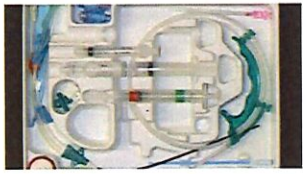
Blue Ridge Thermoforming is a custom plastics manufacturer and fabricator located in Greenville, SC. We are a manufacturer of custom designed vacuum formed packaging, equipment covers, shrouds, and other plastic products.

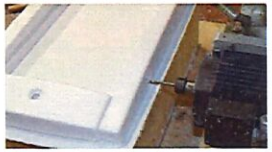


Thin Guage

Thin Gauge thermoforming is a process that converts a flat sheet of plastic into a functional form usually used in packaging.

Heavy Gauge

Heavy gauge thermoforming is a process that converts a flat sheet of plastic into a functional form.



5 Axis

A 5-axis machining involves using a CNC to move a part or cutting tool along five different axes simultaneously.

Design and Development

We have over 30 years of experience in designing and developing vacuum formed trays, packaging, and equipment covers.
