

Our Mission is to put Christian principles into practice through programs that build a healthy spirit, mind and body for ALL.

When you give to the Y, you partner with us to provide life-changing programs and services focused on:

INSPIRING YOUNG POTENTIAL & DRIVING ACADEMIC SUCCESS

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential.

DROWNING PREVENTION

Swim lessons are a necessity, not a luxury. Every child deserves to learn life-saving water safety skills. We work with the school districts to provide swimming lessons for kids as their PE class.

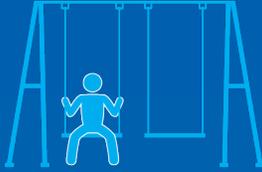

TACKLING COMMUNITY HEALTH CHALLENGES

By helping cancer patients and adults at risk for chronic disease through signature programs like LIVESTRONG at the YMCA, we build a stronger, healthier community.

ENSURING ACCESS & BELONGING FOR ALL

With our doors open to all, we bring together people from all backgrounds and support those who need us most. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together.

WHEN YOU GIVE YOU CHANGE LIVES

“I cannot say enough good things about the Y”

After Rhonda’s divorce, her three children, Morgan, Grayson and Ashlyn, needed a safe place to go during their out-of-school time while Rhonda was at work. They found that place at the Middle Tyger Y.

“When I’m at work, I know my children are safe and protected. I rely on Megan and her staff to monitor their behavior for

changes and problems, and they have always gone above and beyond,” says Rhonda. “The children love the counselors, the activities and the sports and specialty camps.” In the beginning, her youngest daughter, Ashlyn, would cry about having to go to afterschool instead of coming straight home, but now she gets up at 6:15 every morning excited to go to camp!
