

Y SPARTAQUATICS SWIM CLUB

2021-2022 Sponsorship Information

To Potential Sponsors:

The Y-Spartaquatics Swim Club is a year-round competitive swim team located in South Carolina's upstate. YSSC is a program of the YMCA of Greater Spartanburg. It is the vision of the YMCA to build strong kids, strong families, and strong communities by instilling our values of Respect, Responsibility, Caring, and Honesty.

YSSC offers a step by step progression for every child, no matter the ability or age, in the sport of swimming. The YSSC Coaching Staff brings a wealth of knowledge and professionalism unmatched in South Carolina. That, along with their love and enthusiasm for the sport of swimming and developing young women and men of quality makes Y-Spartaquatics the premier YMCA program in the Southeast.

The Middle Tyger YMCA has one of the finest swimming pools in the state and *the* best swim team in the state according to USA Swimming Club Rankings. At the last YMCA National Championship YSSC was the Overall Team Runner-Up at both the Short Course and Long Course championships. In 2021, YSSC won both the Senior and 14/Under Short Course State Championship meets. YSSC has a rich history of excellence, with the Women's Team, Men's Team and Overall Team capturing THIRTY-FIVE YMCA National Team Titles. This past summer YSSC was represented at the Olympic Team Trials by 3 current swimmers or alumni representing their college programs. Our team consists of over 350 swimmers from the Greater Greenville and Spartanburg Areas.

Advertising sponsorship opportunities are currently being reserved for the 2021-2022 Y-Spartaquatics Swim Club swim season. If ads are placed prior to October 1, 2021, the ad will appear in at least six swim meet programs between October 2021 and July 2022. After October 2, 2021, the ad will appear in all meets once your ad is received. Every swim meet YSSC and the Middle Tyger YMCA host averages 500 to 600 swimmers and sells 200 to 300 heat sheets/programs per event. Upwards of 60% of the swimmers in our meets are from out of town/state staying at hotels and using restaurants in the area for all meals. In addition to advertising sponsorships, YSSC welcomes creative benefit and support of our program and athletes such as organized team outings to your restaurant / company or specific equipment grants.

Y-Spartaquatics Swim Club cannot design the ad.

It is the responsibility of the parent/company to design and purchase the banner

To make your AD the best it can be for our Swim Meet Heat Sheet,
